

Lynch School of Education and Human Development

Cybersecurity Minor

For Lynch School Students only

The Lynch School of Education and Human Development (LSEHD) Cybersecurity Minor consists of 18 credits, 12 of which may *not* simultaneously be counted toward the BC core or other major/minor requirements. The minor is designed to advance understanding of the intersections of cybersecurity and human behavior. Students will explore introductory and mastery level coursework, select electives from different departments and engage in applied action projects and special topics research specially designated each year. Students are encouraged to choose electives from below to curate cyber focal areas and may request approval for electives not listed below.

Requirement #1 Foundation Courses – Choose two (6 credits) (remaining courses may be used as electives.)
ADCY6425 Cybersecurity: Innovation, Technology, and Formative Development
ADCY/APSY6050.01 Cybersecurity Policy: Privacy & Legal Requirements
ADCY/APSY6500.01 Organizational Effectiveness: Governance, Risk Management & Compliancy

Requirement #2 Electives – Choose three (9 credits) from approved list or from below.
--

Requirement #3 Capstone Experience (3 credits) – APSY/ADCY6950.01 Applied Research Project: Non-profit Organizations or EDUC4961/4962 or APSY4961/4962 Subject Related Senior Thesis/Senior Project.

Elective Courses
ADCY/APSY6400.01 Managing Cyber Risk: Mobile Devices & Social Networking
ADCY/APSY6450.01 Cyber Investigations and Digital Forensics
ADCY6810.01 Cybersecurity: Designing Offensive & Defensive Capabilities
ADCY6425 Cybersecurity: Innovation, Technology, and Formative Development
ADCY6000.01 Cyber Ecosystem and Cybersecurity
ADCY**** Network Infrastructure Security
ADCY6350.01 Incident Response & Management
ADCY6900.01 Ethical Issues in Cybersecurity in Cybersecurity & the Ignatian Paradigm
