This Program of Study is to be used by those students entering the doctoral program with or without a Master's degree in Counseling or a related area. Required courses must be taken as part of your graduate program to fulfill APA accreditation criteria.

In planning this Program of Study, you should plan in close collaboration with your faculty advisor. Together, you will review your previous graduate study and arrive at a sound professional training program conforming to the standards established by Boston College and the American Psychological Association.

Students entering after AY 2023 - 2024

Notes on Completing the Program of Study

When completing the Program of Study, please indicate the year a course was taken under the appropriate semester it was taken.

- 1. Insert a T (transfer) or W (waiver) as appropriate. If seeking a transfer of credits, you must fill out a Transfer of Credit Request form available online. If requesting a waiver, you must complete a Course Waiver form under the guidance of your faculty advisor.
- 2. Students entering with previous coursework that fulfills the prerequisites may skip this section. All direct admits must complete APSY7543 Psychopathology.
- 3. Beginning in the second year, students will participate in the Advanced Counseling Practicum. The practicum in the first and second year are full year courses with one credit taken in the fall and two credits taken in the spring. Please indicated each semester on the Program of Study. The practicum in the third year is required for students who began their program during or after the 2023 2024 academic year. Please note previously the practicum in the first and second year were both taken under APSY 9846 and the third year practicum was APSY8742.

Residency Requirement (select one of the following options):

I will take three or four graduate level courses for two consecutive semesters (fall and spring) in the academic year

- □ I will take two graduate level courses and have a full time assistantship for two consecutive semesters (fall and spring) in the academic year .
- **I** will fulfill a minimum of three years of full time doctoral study.
- I will take two graduate level courses per semester for the academic year while employed half time or more in a professional position relevant to the intended area of doctoral study. At least one course must be seminar based, linking theory, research, and practice in the intended area of doctorate.

Professional Position: Courses:

□ I will petition the Associate Dean for an exception to the above options. (You must obtain prior approval for the exception from your academic advisor.) Please detail in the space below how the exception fulfills the intent of residency requirement, or attach a statement.
