

Instructions for Field Supervisors: Please sign each section for which the candidate has fulfilled the appropriate number of supervised hours.

Instructions for Specialization Candidates: For each task, provide a brief description of the supports you provided. Once the descriptions have been completed, you may seek supervisor signatures. If you are applying for the waiver, submit the signed form to Dr. Kristen Bottema-Beutel in room 213 Campion.

If you registered for and are completing the Field Experience, return the signed form to Dr. Bottema-Beutel with your lesson plans attached. Upon completion of the form, you will be contacted to schedule a meeting with the specialization director or related faculty (not applicable to students requesting a waiver).
