

Boston College Chemistry Department Student Awards Ceremony May 10, 2021

Welcome to the 2021 ceremony!

While we again cannot celebrate this year's achievements in person, we are happy to share a moment where we can acknowledge the hard work and dedication shown by these award recipients.

Please leave yourselves muted until it is your turn to present or express a thank you. You may "applaud" with the reaction buttons after each award is presented.
