Need to fulfill your Fine Arts Core?

Why not combine it with a trip to Europe? To Berlin, to be exact? To “... today’s European champion of cool”?!?

Not only will you be able to explore Berlin’s vibrant art scene, wind your way through its Cold War past, wander through opulent castles and partake of its lively café culture, but you will learn to draw in some of the world’s greatest museums, attend a concert at the Berlin Philharmonic, meet local artists, take day trips to Dresden and Potsdam and much, much more.
