Departmental Service, 2024

Member of the Economics Department Recruitment Committee, Spring 2017 - to present
Placement Director for Ph.D. job market candidates, 2015- to present

I lead the modernization and updating of the digital presence of the department by: a) revamping of the Department webpage, including the reconstruction and updating of the placement and current jobs of all Ph.D. students since 2002, and, selectively, since 1973, and providing an online presence for all our current Ph.D. students; b) revitalizing our fb and X presence.
