- “Inequality in the Lifetime Earnings of Women,” 1982. *Review of Economics and Statistics*, 64 (3): 501-504.
- “The Decline in Personal Saving,” 1981. *Federal Reserve Bank of New York Quarterly Review*, 6 (1): 25-32.
- “Workers Ineligible for Retirement Benefits” (with Lucy Mallan), 1978. *Social Security Bulletin* 41 (12): 3-11.

Work in progress:

- “Evolution of paternal care in humans and game-changing ecological transition” (with Ingela Alger and Hillard Kaplan).
- “Intergenerational Transfers and the Great Recession” (with Megan Way).

“Who Does the Baby Look Like? Relationship Quality, Perceived Resemblance, and Paternal Solicitude.”

“The Evolutionary Biology and Economics of Sexual Preferences and Infidelity.”

“Inheritances, Family Traditions, and Bequests” (with Oded Stark).

“Intergenerational Transfers and the Demonstration Effect” (with Oded Stark). Working paper no. 329, Boston College Department of Economics, June, 1994.

Grants and Awards:

“Biological Basics and Intergenerational Transfers,” \$1.5 million, National Institutes of Health, 2003-2010.

“Income from Household and Government Transfers,” part of a larger project, “Economic Growth and Household Welfare Policy Lessons from Vietnam,” funded by the World Bank, Spring, 2001.

“A Study of Private Safety Nets in Developing Countries.” Research funded by the World Bank, Summer, 1997.

“A Study of Private Safety Nets in Developing Countries.” Research funded by the World Bank, Summer, 1998. “The Demonstration Effect in Intergenerational Transfers.” National Institutes of Health, 1996-2000. (with Oded Stark).

“Family Safety Nets and Economic Transition in Eastern Europe.” The National Council for Soviet and East European Research, 1995-96. (with Wlodek Okrasa).

“Private Safety Nets and Poverty in Kyrgyzstan.” Research funded by the World Bank, Summer, 1994.

“Private Transfers and Economic Transition: An Investigation of the Russian Longitudinal Monitoring Survey.” Research funded by the World Bank, Summer, 1994.

“The Role and Magnitude of the Private Safety Net During Economic Transition: Private Inter-household Transfers in Vietnam.” Research funded by the World Bank, Summer, 1994.

“Informal Networks and Economic Transition in the Eastern Bloc.” Research Grant, IRIS Research Program, University of Maryland, Summer, 1994, with Wlodek Okrasa.

“Private Safety Nets and Poverty in Pakistan.” Research funded by the World Bank, with Zekeriya Eser, Summer, 1994.

“Inter-Household Transfers in a Shortage Economy: The Case of Poland.” Research funded by the Research Committee of the World Bank, 1993, with Emmanuel Jimenez and Wlodek Okrasa.

“Non-Market Transfers in Developing Countries.” Grant from Research Budget Support from the World Bank, 1991, with Emmanuel Jimenez and Oded Stark.

“An Empirical Study of Intergenerational-Transfer Motives.” National Institutes of Health Grant, 1989-1991.

“Intergenerational Transfer Behavior in Developing Countries.” World Bank Research Contract, 1989.

“The Connection Between Public Transfers and Private Interfamily Transfers.” University of Wisconsin Institute for Research on Poverty Small Grants Program, 1986.

“The Relative Effectiveness of Private and Public Schools: Evidence from Colombia and Tanzania.” World Bank Research Contract, 1986.

Washington University Summer Grant, 1986.

“A Study of Motives for Interfamily Transfers.” National Science Foundation Grant, 1986-1989.

Washington University Summer Grant, 1982.

Doctoral Dissertation Research Grant, Employment and Training Administration and Social Science Research Council, 1979.

Conferences and Presentations:

2017 Toulouse Economics and Biology Workshop, The Evolution and Economics of the Family

2013 The World Bank, Toulouse School of Economics

2011 Population Association of America Meetings, Human Behavior and Evolution Society Annual Meetings, Gerontological Society of America Meetings, University of Chicago Population Research Center

2010 Human Behavior and Evolution Society Annual Meetings, Gerontological Society of America Meetings

2009 American Economic Association Meetings, Max Planck Institute, University of Illinois-Champaign-Urbana

2008 University of Chicago Center for Cognitive and Social Neuroscience, Boston College Interdisciplinary Neuroscience Seminar Series, University of California-Riverside, Gerontology Society of America Meetings, The World Bank

2007 University of Maryland, RAND Summer Institute, U. Mass-Boston, Carleton University, Federal Reserve Bank of Boston, Swarthmore College

2006 Population Association of America Meetings, Stonehill College, Penn State Symposium on Family Issues

2005 Grantee Workshop on Intergenerational Family Resource Allocation at the National Institutes of Health; Oregon State University; Northeastern University;

University of Virginia; Handbook of Agricultural Economics Conference, Bellagio, Italy; Washington University in St. Louis; Department of Policy Analysis and Management, Cornell University; Evolving Family Project, Cornell University; Workshop on Intergenerational Relations and Support, Cornell University

2004 Health and Retirement Study Research Conference on Older Families, University of Wisconsin, Madison

2003 American Economic Association Meetings, University of Pennsylvania, University of Washington, Population Association of America Meetings
