

A&S: Courses pre-approved for Economic content

Economics majors, minors, and CSOM concentrators are responsible for following the Economics Department's policy on courses taken abroad to ensure that they are eligible to receive credit and fulfill their Economics requirements. These requirements (including rules on credit-hours and limitations on how many courses can transfer back to BC) are available at: <https://www.bc.edu/bc-web/schools/mcas/departments/economics/undergraduate/study-abroad.html>

Please note: This list is updated to March 6, 2019.
