

Peter Gray, Curriculum Vitae, Jan, 2020

Current Position and Address:

Research Professor, Department of Psychology, Boston College, Chestnut Hill, MA 02167.

Home address: 17 Dean St., Millis, MA 02054. Phone 508 740-7968.

email: grayp@bc.edu

Education: Cabot High School, Cabot, VT. Columbia College, New York, NY, Psychology major, Phi Beta Kappa, Magna cum Laude. The Rockefeller University, New York, NY., Ph.D. in Biological Sciences, 1972, with specialties in animal behavior, general physiology, and neurobiology.

Academic Positions:

The City University of New York. Adjunct Lecturer in Psychology, 1970-71.

The Rockefeller University. Guest Investigator in Neuroscience, 1972.

Boston College, Department of Psychology Faculty, 1972-present (retired early as full Professor with teaching and research duties in 2002; Research Professor 2002-present).

Administrative and Editorial Positions:

Director of the Rockefeller University Summer Biology Program for High-School Students, 1969.

Director of NIMH-supported project to study the cue value of hormones, 1973-1975.

Chair of the Boston College Psychology Department, 1978-1980.

Director of National Science Foundation CAUSE project to develop laboratories and undergraduate practicum courses in psychology at Boston College, 1977-1981.

Director of the Graduate Program in Psychology at Boston College, 1987-1989.

Trustee, The Sudbury Valley School, Framingham, MA, 1984-2011.

Director of Undergraduate Program in Psychology at Boston College, 1993-1995.

Book Review Editor, Human Ethology Bulletin, 2002-2006.

Editorial Board, Journal of Social, Evolutionary & Cultural Psychology, 2008-2013.

Organizer (with David Sloan Wilson) of Empowering Neighborhoods and Restoring Outdoor Play: Workshop and Symposium. Held in Binghamton, NY, Sept. 18-19, 2010.

Guest Editor for Special Issue, *American Journal of Play*, 2010-2011.

Editorial Board, *Evolutionary Behavioral Sciences*, 2013-present.

Advisory Board, Evolution Institute, 2009-present.

Advisory Board, Save Childhood Movement, 2013-present.

Organizer of team creating the website *AlternativesToSchool.com*, 2012-present.

Co-editor of *Ancestral Landscapes in Human Development*. Oxford University Press, 2014.

President of Board of Directors, Alliance for Self-Directed Education, 2016 to present.

Editorial Advisory Board, *American Journal of Play*, 2017 to present.

Board of Directors, Let Grow Foundation, 2017 to present.

Director of Library Initiative Research Team, supported by Woodhouse Foundation grant. 2019-2020.

Areas of Academic Specialization:

Evolutionary psychology. (Especially as applied to exploration and play.)

Developmental psychology and learning. (Intrinsic motivation, self-directed learning, and play.)

General psychology. (Author of an introductory psychology textbook and associated instructional materials.)

Behavioral biology. (Neurobiology of motivational mechanisms).

Books

Textbook in General Psychology:

Peter Gray. Psychology. (An introductory psychology textbook) New York: Worth Publishers, 1991. 2nd edition 1994. 3rd edition 1999. 4th edition 2002. 5th edition 2007. 6th edition 2010.

Peter Gray & David Bjorklund. Psychology. 7th edition, 2014. 8th edition 2018.

Peter Gray, with T. Osberg, B. Thompson, & M. Munger. Instructor's Resources Manual to Accompany Peter Gray's Psychology, 2nd Edition. New York: Worth, 1994. To accompany 3rd edition, 1999.

Trade Books:

Peter Gray. Free to Learn: Why Unleashing the Instinct to Play Will Make Our Children Happier, More Self-Reliant, and Better Students for Life. Basic Books, 2013. Paperback edition, Basic Books, 2015. [To date this book has been translated and published in 15 languages in addition to English: Chinese simplified, Chinese complex, Italian, Romanian, German, Polish, Spanish, Latin American Spanish, French, Estonian, Turkish, Japanese, Korean, Bulgarian, and Greek.]

Peter Gray (2012). *Svoboda Ucení*. Translation by Jiri Kosarek. Vydal. This is a Czech book that consists of translations of 15 of my *Freedom to Learn* essays. A second edition, with a larger number of my essays, was published in 2015.

Coedited Academic book:

D. Narvaez, K. Valentino, A. Fuentes, J. McKenna, & P. Gray (2014). Ancestral landscapes in human evolution: Culture, childrearing and social wellbeing. New York, NY: Oxford University Press.

Academic Publications in Behavioral Biology:

Bruce Pappas and Peter Gray. Cue value of dexamethasone for fear-motivated behavior. Physiology and Behavior, 6, 127-130, 1970.

Peter Gray. Pituitary-adrenocortical response to stress in the neonatal rat. Endocrinology, 89, 1126-129, 1971.

Jay M. Weiss and Peter Gray. Hormones and avoidance behavior: A different approach points to a role for mineralocorticoids. Progress in Brain Research, 39, 471-480, 1973.

Peter Gray. Effect of adrenocorticotrophic hormone on conditioned avoidance in rats interpreted as state-dependent learning. Journal of Comparative and Physiological Psychology, 88, 281-284, 1975.

Peter Gray. Effect of prestimulation on avoidance responding in rats, and hormonal dependence of the effect. Journal of Comparative and Physiological Psychology, 90, 1-17, 1976.

Peter Gray, Jolane Solomon, Marilyn Dunphy, Frances Carr, and Michael Hession. Effects of lithium on open field behavior in "stressed" and "unstressed" rats. Psychopharmacology, 48, 277-281, 1976.

Peter Gray. Effect of the estrous cycle on conditioned avoidance in mice. Hormones and Behavior, 8, 235-241, 1977.

Peter Gray. Correlation between estrus and reduced light avoidance in mice. Hormones and Behavior, 10, 277-284, 1978.

Peter Gray and John Cooney. Stress-induced responses and open-field behaviors in estrous and nonestrous mice. Physiology and Behavior, 29, 287-292, 1982.

Peter Gray and Shelley Chesley. Development of maternal behavior in nulliparous rats: Effects of sex and early maternal experience. Journal of Comparative Psychology, 98, 91-99, 1984.

Peter Gray and Philip J. Brooks. Effect of lesion location within the medial preoptic-anterior hypothalamic continuum on maternal and male sexual behaviors in female rats. Behavioral Neuroscience, 98, 703-711, 1984.

Academic Publications in Developmental Psychology, Education, Evolutionary Psychology, & Anthropology:

Peter Gray and David Chanoff. When play is learning: A school designed for self-directed education. Phi Delta Kappan, 65, 608-611, 1984.

Peter Gray. Sudbury Valley students thrive in a setting founded on democratic principles. Changing Schools, 13, Issue 2, 3-5, 1986.

Peter Gray and David Chanoff. Democratic schooling: What happens to young people who have charge of their own education? American Journal of Education, 94, 182-213, 1986.

- The biology of education: how children learn through free play and exploration. Symposium on Democratic Education. Charles University, Prague, Czech Republic. April 15, 2016.
- Panel discussion of *Extraordinary Playscapes Exhibiition*. Sponsored by the Design Museum Foundation, at Boston Society of Architects headquarters, Boston, MA. June 8, 2016.
- The biology of education. Keynote address at Asia Pacific Democratic Education Conference. [Also led two workshops at this conference.] Miaoli, Taiwan. July 23, 2016.
- Panel discussion of *The Land* (a film about an adventure playground in Wales). Boston Children's Museum. July 28, 2016.
- What exactly is play? Invited lecture at the University of Washington, Seattle, WA. August 4, 2016.
- Self-directed education: What is it? How does it work? how do we know it works? Annual Conference of the Alternative Education Resources Organization, Portland, OR. August 5, 2016.
- Mother Nature's pedagogy. Congres International of Ecologie de l'Enfance. Montreal, Quebec, Canada. September 24, 2016.
- What is self-directed education? AEROx conference (sponsored by the Alternative Education Resources Organization). Petersham, MA. October 1, 2016.
- What is play, and why is it such a powerful vehicle for learning? Keynote at celebration of 10th anniversary of Pacem School, Montpelier, VT.
- Schools for self-directed education: Can Guernsey lead the world into the future? TED-style talk at Thrive2020—How can Guernsey become the happiest country on earth? Guernsey. Oct. 10, 2016.
- What exactly is play? Lecture sponsored by the Discovery Museum, held at Belmont Day School, Belmont, MA. November 2, 2016.
- What exactly is play, and why is it such a powerful vehicle for learning? Keynote address at It's Child's Play and It Matters Symposium, Haliburton, ON, Canada. Nov. 4, 2016.
- Play deficit disorder. Workshop It's Child's Play and It Matters Symposium, Haliburton, ON, Canada. Nov. 4, 2016.
- Mother Nature's pedagogy: How children educate themselves through free play and exploration. Sponsored by We Learn Naturally, at McMaster Innovation Park, Hamilton, ON, Canada. Nov. 5, 2016.
- The power of play. Presentation in the Eliot Family Council Speaker Series, held at the Eliot Upper School, Boston, MA Nov. 16, 2016.
- Panel discussion of *The Land* (a film about an adventure playground in Wales). Northeastern University, Boston, MA. Nov. 21, 2016.
- Mother Nature's pedagogy: How children's natural curiosity, playfulness, and sociability serve their education. South Shore Homeschoolers group, Plymouth, MA, Jan. 9, 2017.
- What exactly is play, and why is it such a powerful vehicle for learning? Northborough Free Library, Northborough, MA: Jan. 30, 2017.

- “Free to Learn” book presentation and discussion. University Clergy-Pontoise, Paris, France, via Skype. Feb. 3, 2017.
- Mother Nature’s pedagogy: How children’s natural curiosity, playfulness, and sociability serve their education. Kwynote. EDiversity conference, Hong Kong, Feb. 24, 2017.
- Why we should stop segregating children by age. EDiversity conference, Workshop. Hong Kong, Feb. 24, 2017.
- Why free play is essential to children’s healthy social, emotional, and intellectual development. Workshop. EDiversity conference, Hong Kong, Feb. 25, 2017.
- What exactly is play and why is it such a powerful vehicle for learning? Public talk, EDiversity conference, Hong Kong, Feb. 25, 2017.
- Biological foundations of self-directed education. Rock Tree Sky, Ojai, CA., March 5, 2017.
- Film discussion, film Being and Becoming. Los Angeles, CA, March 6, 2017.
- Decline of emotional resilience among adolescents and young adults: Causes and potential solutions. Flintridge Prep, LaCanada Flintridge, CA, March 7, 2017.
- Self-Directed Education. New York Agile Learning Center, March 23, 2017.
- The power of play and the joy of learning. Thacher Montessori School, Milton, MA. April 12, 2017.
- Rethinking physical activity in school settings: What kids learn in play that they can’t learn in adult-direted sports or gym classes. Keynote at Healthy School Environment Conference, Texas Department of State Health Services, Corpus Christi, TX, April 25, 2017.
- Decline of play and rise of mental disorders in young people. Keynote address Association for Applied and Therapeutic Humor Preconferene Academy, Orlando, FL, April 27, 2017.
- How play and humor made human beings possible: Homo Ludens revisited. Keynote address, Association for Applied and Therapeutic Humor Conference, Orlando, FL, April 28, 2017.
- What exactly is play and why is it such a powerful vehicle for learning? Doglando University, Orlando, FL, April 29, 2017.
- Play deficit disorder: A worldwide crisis and how to solve in locally. Doglando University, Orlando, FL, April 29, 2017.
- Mother Nature’s pedagogy: How children’s natural curiosity, playfulness, and sociability serve their education. Tampa, FL, April 30, 2017. Sponsored by NaturePlay and Real Life Learning ALC.
- What is Self-Directed Education? How does it work? How Do We Know It Works? Sponsored by Sudbury Schule Ammersee, Lake Ammersee, Bavaria, Germany. May 13, 2017.
- Learning from evolution about childhood and education. Webinar presentation sponsored by the Evolution Institute. July 19, 2017.
- Play deficit disorder: A national crisis and how to solve it locally. Home Schoolers of California Conference, San Francisco, CA, July 28, 2017.
- Self-directed education: What it is, how it works, and why ever more families are choosing it. Home Schoolers of California Conference, San Francisco, CA, July 29, 2017.
- Grown unschoolers: Their experiences with higher education, careers, and life. Home Schoolers of California Conference, San Francisco, CA, July 30, 2017.
- Gallup study on children’s free time: How it is spent, prioritized and valued. Panel discussion for public, at Gallup World Headquarters, Washington, D.C., Aug. 1, 2017.
- Four reasons why now is the time for self-directed education to take wings. Annual conference of Alternative Education Resources Organization, Post Campus of Long Island University, Aug. 4, 2017.
- Self-directed education: Why its time is now. Skype presentation to European Democratic Education Conference (held in Paris, France), Aug. 20, 2017.
- Self-directed education: What it is, how it works, and why ever more families are choosing it. Sponsored by FabNewport, Newport, RI, Aug. 27, 2017.
- The decline of play and mental health consequences of that decline. Plenary talk at triennial conference of the International Play Association, Calgary, Alberta, Canada, Sept. 13, 2017.
- How to restore children’s play in today’s world. Plenary talk at triennial conference of the International Play Association, Calgary, Alberta, Canada, Sept. 13, 2017.
- Unleashing the power of play. Kentucky Idea Festival, Louisville, KY, Sept. 27, 2017.
- What is play, and why is it such a powerful vehicle for learning? Groton-Dunstable schools, Groton, MA., Oct. 3, 2017.

- Four keynote/plenary presentations: (1) The long-term harm of early academic training; (2) The human instincts to learn; (3) What do children learn in play; and (4) How can we restore play to children's lives in and out of school? Jumpstart Early Years Leadership Symposium, sponsored by Rethasia International and Miriam College. Manila, the Philippines, Oct. 7, 2017.
- Play deficit disorder: A worldwide crisis and how to solve it locally. Presentations sponsored by Inspired EC in Australia. (1) In Melbourne, Oct. 9, 2017; (2) at Central Coast Council Admin Building, NSW, Oct. 12, 2017.
- Protecting our children from play deficit disorder: How to support children's learning through unstructured outdoor play. Sponsored by Nature Play QLD and Protecting Childhood, at St. Laurence's College, Brisbane, QLD, Australia, Oct. 13, 2017.
- Play deficit disorder: A worldwide crisis and how to solve it locally. Milford Lodge, Sunshine Coast, QLD, Australia, Oct. 14, 2017.
- Play and the Freedom to Learn. Sponsored by alumni of Booroobin Sudbury School. Gympie, QLD, Australia, Oct. 16, 2017.
- Play deficit disorder: A national crisis and how to solve it locally. Brookline public schools. Brookline, MA., Nov. 1, 2017.
- Self-Directed Education and Sudbury schools. Houston Sudbury School, Houston, TX, Nov. 4, 2017.
- Play deficit disorder: A national crisis and how to solve it locally. NAMI-NYS (National Alliance on Mental Illness, New York State) conference. Albany, NY, Nov. 10, 2017.
- Play deficit disorder: A national crisis and how to solve it locally. Wilton Youth Council and Wilton Women's Club, Wilton, CT, Nov. 15, 2017.
- The decline of play and rise of mental disorders. Ithaca Youth Bureau, Ithaca, NY. Nov. 30, 2017.
- Mother Nature's pedagogy. Philly Free School, Philadelphia, PA. Jan. 31, 2018.
- How children's natural curiosity, playfulness and sociability serve their education. Arts & Ideas School, Baltimore, MD. Feb. 1, 2018.
