RESEARCH EXPERIENCE

- 2019-2021 **Principal Investigator**
Boston College School of Social Work, Research Grant, Chestnut Hill, MA.
“Scoping Review of Trauma-informed Field Practices in Social Work Education”
- As part of the Trauma Integration Initiative, project sought to identify best practices in the past two decades in terms of trauma-informed care in field departments of schools of social work. Funding covered doctoral research assistant over three semesters. (\$4500)
- 2019-2021 **Co-Principal Investigator**
Boston College School of Social Work, Research Grant, Chestnut Hill, MA.
“Secondary Traumatic Stress: Assessing Level of Preparation of MSW Interns and Field Supervisors to Address its Effects”
- In partnership with a faculty member at UCLA School of Social Work, this qualitative study included interviews with social work students and field supervisors in three cities: Boston, Detroit, and Los Angeles. Objective of study was to understand the level of training and preparation of MSW and field supervisors to address the effects of secondary trauma on their health and well-being. Funding covered transcriptions services and masters level research assistant in Fall, 2020. (\$2000)
- 2016-2019 **Co-Principal Investigator**
Boston College, Office of the Provost, Research Expense Grants (2), Chestnut Hill, MA.
“Public Sector Social Workers in the Occupied Palestinian Territories”
- In partnership with Dr. Najwa Safadi (Social Work Department Head) at al-Quds University (Jerusalem, Palestine), this project collected data from nearly 300 public sector social workers in the Occupied Palestinian Territories. The objectives of the studies were to identify predictors of mental health, life satisfaction, and various work outcomes (e.g., job satisfaction, organizational commitment) among social workers employed by the Ministry of Social Affairs, Palestinian Authority. (\$4,000)
- 2014-2017 **Principal Investigator**
National Institute on Aging, R03 Award (R03AG048768), Washington, DC.
“Population Analysis of Male Survivors of Child Sexual Abuse at Mid and Late Life”
Grant Period: 9/30/14-8/31/16
- This secondary analysis of data from the Wisconsin Longitudinal Study had three primary aims: 1) to examine the relationship between sexual abuse and long-term mental health outcomes for men using data collected at midlife, early late life, and late life, 2) to investigate effect modifiers of the relationship between sexual abuse and long-term mental health outcomes, and 3) to examine the influence of social support, coping style, and masculine norms on sub-group mental health trajectories among men with histories of sexual abuse. (\$156, 500)
- 2014-2015 **Principal Investigator**
Boston College, Office of the Provost, Research Incentive Grant. Chestnut Hill, MA.
“Understanding Identity Changes among Survivors of Clergy Sexual Abuse”.

This project examined identity change among clergy abuse survivors using content analysis of qualitative data from the 2010 Health and Well-being Survey (\$15,000).

2012-2015 **Principal Investigator**

Boston College, Institute on Aging, Aging Research Incentive Grant, Chestnut Hill, MA. “Men, Mental Health, and Aging; Understanding the Role of Child Sexual Abuse”.

These studies were secondary analyses of factors related to mental health problems among men with histories of child sexual abuse using the 2010 Health and Well-being Survey and a single wave of the Wisconsin Longitudinal Study (\$75,000).

2009-2011 **Principal Investigator**, John A. Hartford Foundation, Doctoral Fellows Program, Washington, D.C. “Men who were Sexually Abused during Childhood: An Examination of Factors that Influence Long-term Mental Health” (\$70,000).

2010-2011 **Research Assistant**, National Resource Center (NRC) for Family Centered Practice, University of Iowa, Iowa City, IA
Supervisors: Miriam Landsman, Ph.D. (P.I.), Lisa D’Aunno, J.D. (training director)
Project: Bringing Fathers into the Circle of Family-Centered Practice

Helped design a one-day training curriculum on father involvement in family centered practice for the Iowa Child Welfare Training Academy.

2007-2008 **Research Assistant**, NRC, University of Iowa, Iowa City, IA
Supervisors: Miriam Landsman, Ph.D. (P.I.), Lisa D’Aunno, J.D. (training director)
Project: Improving Recruitment and Retention of Child Welfare Workers

Served as the lead researcher and co-trainer in the final year of a five-year grant from the Children’s Bureau (US DHHS) to develop a comprehensive leadership training program for all public child welfare supervisors in the state of Iowa. Helped develop, implement, evaluate and disseminate a comprehensive, 2-day training program on topics including promoting resilience, preventing secondary trauma, managing stress, responding to critical incidents, improving safety, and leading positive change.

2007 **Research Practicum**, School of Social Work, University of Iowa, Iowa City, IA
Supervisor: Carol Coohey, Ph.D. (P.I.)
Project: Child Sexual Abuse and Adolescent Adjustment

Assisted the P.I. in conducting secondary analysis of the National Survey of Child and Adolescent Well-Being (NSCAW) dataset. Conducted literature reviews, copy-edited manuscripts, evaluated theoretical frameworks, and reviewed NSCAW project methodology.

- 2006-2007 **Research Assistant**, University of Iowa Hospitals and Clinics, Department of Pediatrics, Iowa City, IA
Supervisor: James Hall, Ph.D. (P.I.)
Project: Strengthening Communities for Youth Initiative
- Collected data through comprehensive substance abuse assessments for adolescents, conducted literature searches, wrote introduction and literature reviews, edited manuscripts, and delivered a presentations on rural adolescent treatment outcomes.
- 1990-1991 **Research Associate**, Harry S. Truman Center for the Advancement of Peace, Hebrew University, Jerusalem, Israel
