• he/they • LICSW #125921, Massachusetts

## EDUCATION

### **Down Under School of Yoga**

- 200 Hour Teacher Training Certificate, January 2022
- Yin Yoga Teacher Certificate, September 2023

### **Boston College**

- Sociology B.A, 2018
- Master's of Social Work, 2019

### **Sensorimotor Psychotherapy Institute**

- Level I: Trauma Themes Certificate, 2025

### **The Embody Lab**

- Integrative Somatic Trauma Therapy Certificate, 2021

## CLINICAL EXPERIENCE

### **Private Practice Psychotherapist**

Individual and Group Therapist, 2022-present

- Accompany adult LGBTQ+ patients in individual therapy using an integrative somatic modality and DBT skills training. Treatment is gender affirming, body neutral, HAES aligned, and kink/poly positive.
- Initiate and facilitate virtual group therapy, including a trans DBT Skills group, and longterm trans mutual-aid support groups
- Engage as a member of Sanctuary Yoga's Collective, including supporting local community building and events, collaborating across disciplines for workshop programming, and substitute teaching classes in the Yin and Flow styles of yoga asana practice

**Pioneer Valley, MA  
2022-present**

### **Fenway Health**

Advanced Trainee Diagnostic Supervisor, 2021-2022

Individual and Group Therapist, 2020-2022

Clinical Intern, Violence Recovery Program, 2018-2019

- Supervise advanced clinical trainee in developing skills for diagnostic assessment, case presentation, appropriate clinical language, and appropriate referrals and recommendations
- Utilize cultural humility and LGBTQ+-specialized care using an integrative approach including IFS parts work, DBT and CBT skills training, and somatic modalities to accompany clients in crisis intervention, group therapy, and short-term individual therapy using established therapeutic processes
- Initiate and create evidence-based curriculum for support and somatics group for older trans/non-binary adults
- Collaborate with medical and advocacy personnel to provide resources and assessments for clients including gender-affirming surgery letters, asylum application letters, and disability support letters
- Facilitate organizational therapists' meeting surrounding case consultation, team building, vicarious trauma reduction, and culture shifting
- Facilitate and initiate peer support for trans/non-binary staff members

**Boston, MA  
2018-2022**

## LECTURE AND TEACHING EXPERIENCE

### **Smith Graduate College of Social Work**

Adjunct Assistant Professor

*Racism in the United States: Interrogating Whiteness, 2024-2025*

*Problems in Biopsychosocial Functioning, 2024-2025*

- Collaborate with co-professor, team, and university to facilitate learning on topics of racism in the US and development of anti-racist practice
- Facilitate learning on topics including the ethics, implications, art, and science of mental health diagnosis using both the DSM and transdiagnostic perspectives

**Northampton, MA  
2024-present**

### **Boston College Graduate School of Social Work**

Part-Time Faculty of Clinical Practice,

*Rethinking Diversity, Systems of Privilege and Oppression, Fall 2022-2025*

*Group Therapy, Summer 2023-2025*

- Revise and collaborate on curriculum development, course materials, and course presentations for Rethinking Diversity: Systems of Privilege and Oppression course
- Educate students to demonstrate ability in social work practice with systemically oppressed populations, and to examine, acknowledge, and understand how their own values and behaviors impact their work
- Educate students on best practices and population nuances in group treatment modalities

**Boston, MA  
2022-present**

### **Trans ECHO Program, National LGBTQ+ Health Education Center**

*Rural Trans ECHO, 2022*

*Trans ECHO and the Opioid Response Network, 2023*

*Trans ECHO National, 2024*

- Offer didactic and case presentation education on best practices for serving LGBT populations in primary care, rural, and opioid-use healthcare settings
- Collaborate with administrators, physicians, social workers, and other clinical staff across national health centers to improve specialization and quality of gender affirming care in unique settings

**Boston, MA  
2022-present**

## **WORKSHOP EDUCATION**

- Adult Trans Gender Identity Development: Assessment and Intervention, Private Practice CEU Program, 2025
- Boundaries in the Workplace, **Using Innovative Intervention Strategies To Improve Health Outcomes Among People With HIV Conference**, 2024
