
Kirsten K. Davison, Ph.D.

Address 140 Commonwealth Ave, 115 McGuinn Hall, Chestnut Hill, MA 02467
Email kirsten.davison@bc.edu
Office phone 617-552-1616
ACADEMIC TITLE Donahue and DiFelice Endowed Professor
School of Social Work, Boston College

Updated: September 2020

EDUCATION

1991-1995 BA (Hons) in Psychology, Otago University, New Zealand
1995-1997 MS in Human Development and Family Studies
Pennsylvania State University
1997-2001 Ph.D. in Human Development and Family Studies
Pennsylvania State University (Mentor: Dr. Leann Birch)

POSTDOCTORAL TRAINING

2001 Centers for Disease Control and Prevention, Visiting postdoctoral fellow,
Division of physical activity and nutrition
2001-2003 Pennsylvania State University, Postdoctoral fellow

ACADEMIC APPOINTMENTS

2003-2008 Assistant Professor, Dept. of Health Policy, Management and Behavior
School of Public Health, University at Albany
2008-2011 Associate Professor (with tenure), Dept of Health Policy, Management and
Behavior, School of Public Health, University at Albany
2011-2019 Associate Professor, Dept. of Nutrition
Associate Professor, Dept. of Social and Behavioral Sciences
Harvard School of Public Health
2019-present Professor, School of Social Work, Boston College
2019-present Professor, Lynch School of Education and Human Development
(courtesy appointment), Boston College

OTHER PROFESSIONAL APPOINTMENTS

2011-2019 Director, Program in Public Health Nutrition, Harvard School of Public Health
2011-2019 Donald and Sue Pritzker Endowed Associate Professor, Harvard School of
Public Health
2019-present Donahue and DiFelice Endowed Professor, Boston College
2019-present Associate Dean for Research, Boston College

COMMITTEE SERVICE

University at Albany
2003-2006 Curriculum committee (dept)
2003-2006 Recruitment committee (dept)

2004	Faculty search committee (dept)
2004-2008	Academic committee (school)
2005-2006	University life council (university)
2006-2010	Admissions committee (dept)
2007-2008	IRB review committee (university)
2008-2010	Faculty senate (university)

Harvard School of Public Health

2011-2019	Maternal and child health executive committee, member (school)
2011-2014	Center for Public Health Leadership advisory group (school)
2011-2015	Transdisciplinary Research in Energetics and Cancer, internal scientific advisory committee (school)
2013-2014	DrPH adhoc committee (school)
2013-2019	Admissions committee (dept, Nut)
2015-2017	Faculty council (school)
2016-2019	Admissions committee (dept, SBS)
2016 -2018	Exam review committee, chair (dept. Nut)
2017-2018	Faculty council, vice chair (school)

Boston College

2019	Ad hoc grievance committee (university)
2019	Measurement and metrics subcommittee of the School of Social Work equity, justice and inclusion committee, chair (school)
2020	Promotion and tenure review committee (school)

PROFESSIONAL MEMBERSHIP

1999-present	The Obesity Society
1999-2002	Society for Research on Child Development
2001-2007	American Public Health Association
2003-2006	International Association for the Study of Obesity
2004-2009	American College of Sports Medicine
2004-present	International Society for Behavioral Nutrition and Physical Activity
2006-2011	Council for Research on Marriage and the Family
2006-present	Society for Behavioral Medicine
2006-2011	Society for Research on Adolescence
2014-2016	Society of Nutrition Education and Behavior

PROFESSIONAL SERVICES

2003-2011	Steering committee member, New York State Obesity Prevention Taskforce
2005-2011	Advisory board member, Master's degree program in Nutrition. Russell Sage College, NY
2006-2011	Taskforce member, New York State Diabetes Taskforce
2006-2010	Membership committee, Society for Research on Adolescence
2008-2009	Chair, Conference program track, Society for Behavioral Medicine
2008-2011	Scientific and professional liaison council, Society for Behavioral Medicine
2009-2011	Publications committee, The Obesity Society
2010-2012	Council member, Pediatric obesity section, The Obesity Society
2011-2013	Co-chair, Conference program track, Society for Behavioral Medicine
2012-2014	Membership council, Society for Behavioral Medicine
2015-2018	Council member, The Obesity Society

2015-2018 Epidemiology section representative, The Obesity Society
 2015-2018 Membership committee, The Obesity Society
 2015-2018 Publications committee, The Obesity Society
 2019-present Executive committee, International Society for Behavioral Nutrition and Physical Activity
 2019-present Secretary, International Society for Behavioral Nutrition and Physical Activity
 2020 Panel member, NIH Pathways workshop on physical activity for wheelchair users. National Institutes of Health
 2020 Reviewer, Robert Wood Johnson young scholars' program
 2020 Expert panel, Evidence-Based Recommendations and Best Practices for Promoting Healthy Eating Behaviors and Optimal Nutrition in Young Children, Ages 24+ months-8 years. Healthy Eating Research. Robert Wood Johnson Foundation.

GRANT REVIEW ACTIVITIES

2005 Minority fellowship program, Centers for Disease Control (CDC)
 2008 Ad Hoc reviewer, Canadian Institutes of Health Research
 2009 Dissertation research awards, CDC
 2009 Ad hoc reviewer, NIH Psychosocial Risk and Disease Prevention (PRDP) study section
 2009-2014 Standing member, NIH PRDP study section
 2010 Covidien childhood obesity grant review panel, The Obesity Society
 2010 Ad hoc reviewer, special emphasis panel in Transdisciplinary Research in Energetics and Cancer
 2010, 2011 Ad hoc reviewer, Early career investigator grant review panel, The Obesity Society
 2015 Ad hoc reviewer, NIH Student fellowships study section
 2015 Ad hoc reviewer, NIH Community level health promotion (CLHP) study section
 2017 Ad hoc reviewer, PRDP study section
 2017, 2018 Ad hoc reviewer, Dissemination and implementation research in health (DIRH) study section
 2020 Ad hoc reviewer, National research conference on early childhood, Administration for Children and Families

EDITORIAL ROLES

Ad hoc reviewer

Annals of Behavioral Medicine, Archives of Pediatric & Adolescent Medicine, American Journal of Health Behavior, American Journal of Preventive Medicine, BMC Public Health, Body Image: An International Journal of Research, Child Development, Child Development Perspectives, Developmental Psychology, European Journal of Clinical Nutrition, Health Education Research, International Journal of Epidemiology, International Journal of Obesity, International Journal of Pediatric Obesity, Journal of Adolescent Health, Journal of Developmental & Behavioral Pediatrics, Journal of Nutrition Education & Behavior, Journal of Pediatrics, Journal of Research on Adolescence, Medicine & Science in Sports & Exercise, Nutrition Education and Behavior, Obesity, Pediatrics, Preventing Chronic Disease, Preventive Medicine, Psychology of Sport and Exercise, Public Health Nutrition, Social Science & Medicine

Other editorial roles

2005-2012	Editorial board, International Journal of Behavioral Nutrition and Physical Activity
2012-2015	Associate editor, International Journal of Behavioral Nutrition and Physical Activity
2015-present	Deputy editor, International Journal of Behavioral Nutrition and Physical Activity
2015	Guest editor, The Childhood Obesity Research Demonstration (CORD) Project, Childhood Obesity

HONORS AND DISTINCTIONS

2000	Grace Henderson Scholarship, Penn State University
2000	Fisher Fellowship, Penn State University
2000	ORISE postdoctoral fellowship, CDC
2001	Winner of the Ethan Sims young investigator award, The Obesity Society
2006	Junior investigator award, University at Albany
2009	Abstract citation award, Society for Behavioral Medicine
2009	Delta Omega (Honorary Public Health Society), Alpha Gamma Chapter
2010	Community Action Day honoree, Commission on Economic Opportunity for the Greater Capital District, NY
2012	Mid-career nutrition leadership institute, Danone Institute
2015	Invited roundtable member, American Academy of Medicine
2017	Leadership institute, Society for Behavioral Medicine
2017	Alice Hamilton Award, Harvard Chan School of Public Health

FUNDED GRANTS AND CONTRACTS

Active grants

8/12/19 - 4/30/24	R01HD098421. Multi-PI: Davison and Haines Paternal influences on children's weight related behaviors, National Institute of Child Health and Human Development (NICHD). \$3,072,562 (total costs)
9/02/19-8/31/24	T32 CA057711. Multi-PI: Davison, Emmons Harvard Education Program in Cancer Prevention Control. National Cancer Institute (NCI). \$2,311,303 (total costs) Stepped down as PI as moved to Boston College
9/25/15 - 7/31/20	R01DK108200. PI: Davison Empowerment as a Mechanism for Change in Childhood Obesity Prevention. National Institute of Diabetes and Digestive and Kidney Diseases (NIDDK). \$3,100,071 (total costs)
9/30/15 - 7/31/20	R01DK107972. Multi PI: Taveras, Davison, Redline Infant Sleep Patterns and Accelerated Growth Trajectories from Birth to 24 months. NIDDK. \$3,870,065 (total costs)
6/01/15 - 5/31/20	6T76MC00001-63-00. PI: McCormack. Co-I Davison Training Grant in Maternal and Child Health. HRSA Maternal & Child Health Bureau.

Completed grants

09/01/17- 08/31/19	R25CA057711. PI: Davison Harvard Education Training Program in Cancer Prevention. NCI. \$989,352 (total costs)
--------------------	-------------------------------------------------------------------------------------------------------------------

8/01/16 - 7/31/18 R01DK107972-02S1. Predoctoral diversity supplement to R01DK107972 for Tayla Ash. NIDDK.\$129,056 (total costs)

9/26/13 - 4/30/15 PI: Davison
What About Dads? First steps to engaging fathers in childhood obesity prevention. Harvard Catalyst. \$99,000 (total costs)

6/10/13 - 5/31/16 R21HD074554. Multi-PI: Fisher, Davison
Snacking in Young Children: Parental Definitions, Goals and Feeding Practices. NICHD. \$450,418 (total costs)

11/1/12 - 4/30/14 PI: Chaung. Co-I: Davison
Systems-oriented Analysis of Two Multilevel, Multisector Childhood Obesity Prevention and Control Projects. John's Hopkins Global Childhood Obesity Center. \$12,720 (total costs)

9/30/11 - 9/29/15 1U18DP003370-01. PI: Lands. Co-I: Davison
Mass in Motion: Community-clinical partnership to reduce child obesity. Centers for Disease Control.

9/21/09 - 8/31/11 R24MD004865. Multi-PI: Davison, Jurkowski
A Childhood Obesity Prevention Program Designed by Families for Families. National Center for Minority Health Disparities (NIMHD). \$1,087,998 (total costs)

10/1/06 – 9/30/08 PI: Woeflel, NYSDOH. PI of pilot intervention: Davison
WIC Special projects. Fit WIC NY: Revitalizing quality nutrition services. United States Department of Agriculture (USDA). \$116,737 (total costs, contract)

9/30/06 - 8/29/07 PI: Strogatz. Co-I Davison
Increasing Physical Activity in Rural Communities. Prevention Research Center – University at Albany. CDC. \$735,000 (total costs)

5/01/04 - 4/01/08 R01HD046567. PI: Davison
Predictors of Adolescent Girls' Physical Activity. NICHD. \$791,822 (total costs)

4/15/04 - 4/14/05 PI: Davison
Community-Level Barriers to Parents' Ability to Support and Promote Physical Activity Among Children. Faculty Research Awards. University at Albany. \$9940

6/1/02 - 6/1/03 PI: Davison
Predictors of Physical Activity During Early Adolescence. Children, Youth, and Families Consortium. Pennsylvania State University. \$14,785

TEACHING AND TRAINING

University at Albany

2004, 05, 08 Social and Behavioral Aspects of Public Health. Graduate level. Course instructor

2005 Social and Behavioral Aspects of Public Health (online). Graduate level. Course instructor

2003, 05, 07, 09, 11 Childhood Obesity from a Public Health Perspective. Graduate level. Course developer and instructor

2004,06,07,08,10 Maternal and child health. Graduate level. Course developer and instructor.

2008,09 Public health program evaluation. Course instructor

Harvard Chan School of Public Health

- 2013, 14 Programs and Principles in Public Health Nutrition (2.5 credits). Graduate level. Course instructor
- 2013 Legal and Public Health Perspectives on Food Policy (1.25 credits). Graduate level. Course developer and instructor
- 2015, 16, 18 Designing and Evaluating Behavioral Interventions Targeting Diet and Physical Activity (2.5 credits). Graduate level. Course developer and instructor

Boston College

- 2020 Guest lecture on Theory Building in Social Science Research. Dialectics of Social and Behavioral Theory (SCWK9956)

ADVISORY AND SUPERVISORY RESPONSIBILITIES

Faculty mentorship

- 2016-present K01 mentor, Juliana Cohen

Postdoctoral trainees (primary mentor)

- 2004-2005 Dorothy Schmalz, Penn State University, Ph.D. Associate Professor, University of Utah (current position)
- 2010-2012 Kaigang Li, Indiana University, Ph.D. Assistant Professor, Colorado State University (current position)
- 2012-2014 Amy Lampard, University of Western Australia, Ph.D. Research Coordinator, University Western Australia (current position)
- 2015-2016 Jeanette Garcia, University of Virginia, Ph.D. Assistant Professor, University of Central Florida (current position)
- 2017-2019 Roger Figueroa, University of Illinois Ph.D. Assistant Professor, Cornell University (current position)
- 2020-present Brian Lo, Cornell University Ph.D.

Doctoral students (primary advisor)

- 2004-2008 Birgitta Baker, PhD, Penn State University, Leisure Studies. Associate Professor, Pennsylvania State University (current position)
- 2003-2010 Dayna Maniccia, DrPH, University at Albany, Health Policy, Management and Behavior. Assistant Professor, Russell Sage College (current position)
- 2003-2012 Lynn Edmunds, DrPH, University at Albany, Epidemiology and Biostatistics. Associate Director, Division of Nutrition. New York State Department of Health (current position)
- 2011-2015 Rachel Blaine, ScD, Nutrition, Harvard Chan. Assistant Professor, University of California at Long Beach (current position)
- 2012-2015 Shaniece Criss, ScD, Social and Behavioral Sciences (SBS), Harvard Chan. Assistant Professor, Furman University (current position)
- 2012-2016 Neha Khandpur, ScD, Nutrition, Harvard Chan. Postdoctoral fellow. University of Sao, Brazil (current position)
- 2013-2017 April Bowling, ScD, Nutrition, Harvard Chan. Assistant Professor, Merrimack College (current position)
- 2013-2019 Alvin Tran, ScD, Nutrition and SBS (dual), Harvard Chan. Assistant Professor, University of New Haven
- 2014-2019 Tayla Ash, ScD, SBS, Harvard Chan. Postdoctoral fellow, Brown University (current position)
- 2016-2018- Jacob Beckerman, ScD, Nutrition, Harvard Chan
- 2016-2018- Cristina Gago, ScD, Nutrition, Harvard Chan

International doctoral trainees (primary advisor in the US)

- 2017-2018 Zeynep Begum Kalyoncu, PhD, Hacettepe University, Ankara, Turkey. Fulbright scholar
2014-2016 Claudia Ganter, PhD, Technische Universitat, Berlin, Germany

Student Masters' theses (primary advisor)

- 2003-2005 Katie Haverly, MS, University at Albany, Health Policy, Management & Behavior
2004-2007 Brett Wyker, MS, University at Albany, Health Policy, Management & Behavior
2005-2006 Lauren Schaeffer, MS, Harvard Chan, Global Health

Undergraduate trainees (primary advisor)

- 2015 Martina Sepulveda, Fostering Advancement & Careers through Enrichment Training in Science (FACET), Harvard Chan, summer mentor
2015 Ta'Loria Young, FACET, Harvard Chan, summer mentor
2016 Gianna Nino, FACET, Harvard Chan, summer mentor
2016 Fana Hagos, FACET, Harvard Chan, summer mentor
2017 Janae Best, FACET, Harvard Chan, summer mentor

INVITED PRESENTATIONS

Local

- 2005 The Social Environment and Obesity Among Children, Center for Social and Demographic Analysis colloquium series. University at Albany
2006 Are Schools Caught Between a Rock and a Hard Place? The Role of Schools in Obesity Prevention. Public Health Week, School of Public Health, University at Albany
2007 A Fit WIC Pilot Intervention: Merging Theory and Evidence-Based Research. Colloquium series, New York State Department of Health, Division of Nutrition
2011 A Childhood Obesity Prevention Program Designed by Families for Families. Fall Obesity Working Group Meeting, Harvard Chan
2011 Hop, skip...no! Reasons adolescent girls disengage from physical activity. Colloquium series. Children's Hospital of Boston, Division of Adolescent Medicine
2012 A Childhood Obesity Prevention Program Designed by Families for Families. Colloquium series. Friedman School of Nutrition, Tufts University
2012 Social Contexts and Youth Physical Activity. Prevention Research Center seminar series Harvard Chan
2012 Parent-Centered Community-Based Participatory Research and its Application to Childhood Obesity Prevention (Keynote Speaker First Annual Research Day). Boston University, School of Public Health
2013 Public Health Nutrition. Nutrition Roundtable. Dept of Nutrition, Harvard Chan
2014 Pilot Study Results and Future Plans for the Communities for Healthy Living study. Speaker series. MGH Center for Child & Adolescent Health Research and Policy
2014 What about Dads? Engaging Fathers in Research on Child Health. Summer Hot Topics. Harvard Chan
2017 Effects of a Cybercycling Intervention on Self-Regulation among Children with Behavioral Health Disorders. Seminar series. Boston University, Health Sciences
2018 Collaborative, Empowerment-focused Strategies to Promote Child Health in Educational Settings. Boston College, Dept. of Counseling, Developmental and Educational Psychology

Regional

- 2004 The Ecology of Childhood Obesity. Contractors' training meeting for the Diabetes Prevention and Control Program. New York State Department of Health

- 2005 The Family Ecology and Childhood Obesity: Linking Science and Action Conference. Cornell University, Ithaca, NY
- 2006 What Role Does the Family Play in Childhood Obesity? A Research History. Colloquium series. University of North Carolina, Chapel Hill, Dept of Nutrition
- 2007 There is Nothing as Useful as a Good Theory: Using Theory to Guide Obesity Prevention Programs Among Youth. Behavioral Change and Public Health conference (Keynote Address). Northeastern New York Public Health Association. Queensbury, NY
- 2007 Behavior Change Theory and Obesity Prevention Programs Among Youth. Spring Update for Nutrition Educators. Cornell University, Division of Nutrition Sciences. Saratoga Springs, NY
- 2011 Childhood Obesity and the School Food Environment. Plenty of Room for Policy Change in New York. Junior Leagues of North America. Albany, NY
- 2013 A Childhood Obesity Intervention Developed by Families for Families: A Pilot Study and Future Plans. Colloquium series. University of Massachusetts at Amherst, MA

National

- 2000 Weight Status and Self-concept in 5-year-old Girls: The Influence of Parents. Pediatric Obesity Interest Group. The Obesity Society annual conference. Long Beach, CA
- 2006 We Can! Empower Families to Change: A Research Perspective on Working with Parents to Prevent Obesity Among Children. We Can! Rally. Sponsored by the National Institutes of Health, Bethesda, MD
- 2009 Helping Families and Communities Reverse the Trend of Childhood Obesity. State Leadership Conference. American Psychological Association and YMCA Activate America partnership. Washington, DC
- 2011 Parenting and Children's Physical Activity: Where Have we Been and Where Are We Now. Cancer Prevention Begins at Home Workshop: The Role of Parents. National Cancer Institute Washington, DC
- 2012 Engaging Low-income Parents in Childhood Obesity Prevention Using Community-based Participatory Research: Do the Gains Outweigh the Costs? Seminar series. School of Public Health and Health Professions, University of Buffalo, NY
- 2013 Balancing Science and Social Justice in Childhood Obesity Prevention. Seminar series. Penn State University
- 2013 Developing Sustainable Family-Centered Obesity Interventions: What Can We Learn from Developmental Psychology and Implementation Science? Youth-nex conference. University of Virginia, VI
- 2014 The Importance of Context in Family Interventions Targeting Childhood Obesity Prevention. The Consortium to Lower Obesity in Chicago Children
- 2014 Child Snacking and Portion Sizes – What are Parents doing? Forefronts in Portion Size Conference. Temple University. Philadelphia, PA
- 2014 What About Dads? Engaging Fathers in Childhood Obesity Prevention. Seminar series Morehouse School of Medicine. Atlanta, GA
- 2014 Family interventions for obesity in children 0-5 years: Effective programs and new avenues to explore Symposium: Obesity before age 5. The Obesity Society
- 2015 Using Physical Activity to Improve Fitness and Self Regulation among Children with Social and Emotional Disabilities. Seminar series. Illinois Transdisciplinary Obesity Prevention Program (I-TOPP). Urbana, IL
- 2015 Obesity in the Early Childhood Years: Emerging Science and Implementation of Promising Solutions. Family Interventions for Obesity in Children 0-5 Years roundtable. Institute of Medicine. Washington, DC

- 2016 Massachusetts childhood obesity research demonstration (MA-CORD). Innovations in Obesity Prevention, Assessment and Treatment Forum. American Academy of Pediatrics, San Francisco, CA
- 2016 What about dads? Fewer than 1 in 10 papers on parenting and childhood obesity present data for fathers. Social for Behavioral Medicine
- 2019 Fathers' food parenting: Current research and future directions (Invited Speaker) 27th Annual Symposium on Family Issues, 2019. Pennsylvania State University.
- International
- 2005 Childhood Obesity and the Family Environment. Seminar series (Invited Speaker) Center for Physical Activity and Nutrition (C-PAN). Deakin University, Melbourne, Australia
- 2011 Families and Childhood Obesity: The Big Picture Friends of Europe Think Tank. Friends of Europe Think Tank. Brussels, Belgium
- 2016 Improving Children's Lifestyle Behaviors: An Overview of My Research. University of Auckland, New Zealand
- 2016 Family Interventions for Obesity in Children 0-5 Years: Successes, Challenges and Emerging Opportunities. International Congress on Obesity. Vancouver, Canada
- 2017 Father Involvement in Observational Obesity Research: Current Landscape. Engaging the forgotten parent: Conference of experts on fathers' role on children's weight-related behaviors and outcomes. University of Guelph, Toronto, Canada
