Dr. Janice M. Barrett is an entrepreneurial higher education leader with an innovative, proven track record in creating, leading and implementing successful academic programs, hiring and mentoring outstanding faculty and developing undergraduate and graduate curricula that increase student recruitment and support retention efforts. Her focus is on strategic academic planning, policy development, global workforce development, experiential learning, adult learner strategies for success and building external partnerships.

Education:

Harvard University

Doctor of Education (Ed. D.), 1996

Administration, Planning and Social Policy, Concentration in Higher Education

Harvard University

Master of Education (M.Ed.), 1990

Administration, Planning and Social Policy, Concentration in Higher Education

Boston University

Master of Science (M.S.), 1980

Mass Communication

Boston College

Bachelor of Science (B.S.)

English/Education

Graduate Coursework

University of London - Research and Media Studies in the British and Irish media

Boston College - Supervision, Curriculum Development and Teaching Strategies

Simmons College - Fundraising and Corporate Communications.

Administration Experience in Higher Education

Lasell University, Newton, MA

2006- present **Founding Chair, Graduate Program Chair and Professor of Communication, Department of Communication, Undergraduate and Graduate Communication Programs**

Reporting to the Vice President of Academic Affairs, I created new Bachelor of Science undergraduate and Master of Science graduate degrees, including all curricula for the communication program; undertook a leadership role for newly established communication department; in 2007, created a new undergraduate Communication curriculum with six concentrations and 36 courses, which was approved unanimously by the College's Curriculum Committee and Board of Trustees; grew the undergraduate student enrollment in the department from 0 to 200 in 5 years; in 2010, in collaboration with the Graduate Dean, designed and drafted the Master of Science degree in Communication proposal with three certificate concentrations and 32 courses, which was approved by the Lasell College Graduate Committee, the Lasell University Board of Trustees and the Board of

Higher Education for the Commonwealth of Massachusetts; grew the graduate program student enrollment for 0 to 198 in 3 years; oversaw recruitment, hiring and mentoring of 10 new full time diverse faculty (all of whom except one have doctoral degrees) as Chair of numerous faculty search committees; completed adjunct recruitment, supervision and training of more than 40 part time faculty; wrote the evaluations of full time faculty; managed and developed department budget; created goals and guidelines for the communication department's program assessment and led the department's undergraduate and graduate assessment efforts; undertook long range planning for the communication undergraduate and graduate programs; managed course scheduling; conducted academic advising, with a special emphasis on the needs of adult learners enrolled in the graduate program; supervised new faculty and student orientation programs; completed faculty training for online teaching; recruited professional leaders in the Communication field to serve on the Department Advisory Board; launched the co-curricular activities of a student newspaper, radio station, advertising club, international students club etc; oversaw faculty involvement in the radio station, campus newspaper and award winning student magazine; elected to Chair-Elect of the Faculty Council; elected faculty representative to the Lasell University Board of Trustees Development Committee, Marketing and Academic Affairs Committees; elected Chair of the Faculty Graduate Committee; elected to the Faculty Promotions Committee; appointed Fulbright campus representative; served as American Council on Education Office for Women in Higher Education interim campus representative; awarded seven Davis Foundation grants for Connected Learning Curriculum Development; awarded two Packard Grants for professional development activities.

Quinnipiac University, Hamden, CT

2004-2005

Associate Dean, School of Communications

Responsibilities included academic advising, faculty and staff supervision, student academic services, including disciplinary cases and student appeals, course scheduling, curriculum, policy and program and creating the proposal for development of the BA in Journalism degree (which was approved by the Quinnipiac faculty and the State of Connecticut), design of school wide assessment procedures, preparation for accreditation review. University wide responsibilities included services on the Core Curriculum Committee, Academic Review Committee, Faculty Research Committee and Associate Dean's Council.

Boston University, International Programs, Boston, MA

2002-2004

Founding Director, Boston University Summer Program "Conflict, Communication and the Media," Dublin, Ireland

Created curriculum for two courses; recruited and hired Irish professors, journalists and elected officials to teach in an intensive, 8 credit, 7 week program in Conflict, Communication and the Media in Ireland. Created collaborative partnerships with 3 Irish universities; Dublin City University, University of Ulster in Derry and the National University of Ireland in Galway. That program has grown today to over 100 students enrolled yearly.

Harvard University, Institute on "The Media and the American Democracy," Cambridge, MA

1996-2004

Founding Co-Chair of Institute and Instructor in Education

Co-founded Institute, in collaboration with Marvin Kalb, Director (Emeritus) of the Joan Shorenstein Center on Press, Politics and Public Policy at Harvard University; launched and taught in eight Institute programs; planned curriculum, selected readings and established Institute schedules; recruited and hired faculty; recruited participants; awarded scholarships to participants and assigned graduate assistantships; wrote program brochures and created binders; implemented marketing strategies and distributed press releases; edited Institute's annual publication, Curriculum Compendium; served as the Institute's website editor. I recruited and involved over 1,000 participants during the 8 years the Institute existed.

Harvard University, Institute on "The Media and the American Democracy," Cambridge, MA

2000-2003

Project Director for Institute on the Media and American Democracy

Under an \$825,000 Knight Foundation 3 year grant, responsible for the design, development and delivery of media education workshops at five university sites in collaboration with programs at two Harvard graduate schools (Shorenstein Center, JFKSG & Programs in Professional Education, HGSE): UT Austin, U of MO at Columbia, The Newhouse School at Syracuse, USC Annenberg School, and UMiami, College of Communication.

Regis College, Weston, MA

1992-1994

Director of Communications

Responsible for all of the college's internal and external communications, publicity, advertising, publications and videos in support of the college's strategies for development, admissions, alumni relations and public image. Planned and implemented all external relations activities and major college events; oversaw and edited all college publications, brochures and catalogues; managed media coverage and press relations; planned public affairs agendas and governmental relations; orchestrated college meetings with community leaders and elected representatives; wrote speeches, articles and correspondence on behalf of administrative and academic members of the college community.

Nathaniel Hawthorne College, Antrim, NH

1991-1992

Director of Communications

Responsibilities similar to those at Regis College. Nathaniel Hawthorne had been acquired by a Japanese higher education consortium that changed its name to reflect its new ownership (Maruzen Hawthorne). College closed and position ended after the terminal illness and subsequent death of the President.

Harvard Graduate School of Education Publications, Cambridge, MA

1989-1991

Editorial Assistant and Writer

Responsible for writing and editing articles for the HGSE publications.

Massachusetts College Presidents Planning Committee, Boston, MA

1990-1991

Administrative Intern to the President

Responsible for planning, research and writing report about the future of Massachusetts public higher education.

Community, Civic and Fundraising Activities:

Non-Profit Agency/Fundraising

Founded Pro Speakout, Inc. an organization formed to combat youth drug problems. As president, recruited professional athletes from all sports to speak to youth groups on drug dangers. Planned budgets, raised funds, directed promotions and recruited trained personnel. Disbursed grants to fifteen Massachusetts self-help drug programs. Awarded grant from NFL charities. Volunteer for Pine Street Inn Women's Committee, Juveniles Diabetes Association.

Government/Public Affairs

In the areas of educational policy and legislative initiatives, handled all government and community relations for two colleges. Acted as a liaison between the presidents and elected federal, state and local officials on all matters pertaining to the colleges. Worked with Massachusetts Caucus of Women Legislators in developing annual workshops. Appointed Special Assistant for Educational Projects under Massachusetts Cabinet Secretary Charles Johnson. Formed Executive Advisory Committee on Children and Family. Recruited members supervised selection of professional staff and determined priorities regarding issues. Coordinated and directed the efforts of staff from four Secretariats (Human Services, Administration and Finance, Economic Affairs, and Education) and 36 state agencies. Researched state's involvement in social problems relating to the family structure. Coordinated state-wide press coverage of the First Family Month Program.
