THE JOURNEY WITH IGNATIUS APP IS A 12-WEEK VIRTUAL PILGRIMAGE.

This FREE virtual pilgrimage app is based on the life of Saint Ignatius Loyola, the founder of the Society of Jesus, the Jesuit Order, in 1540.

The app features a unique weekly location and an accompanying theme, both of which are introduced through videography and key excerpts from the biography and autobiography of St. Ignatius.

The app aims to facilitate users' growth in mind, body, and soul by featuring daily readings from Jesuit Sources, a Sacred Scripture verse for daily prayer, selected reflections, and the tracking of participants' steps. There is also weekly content for further prayer and reflection based on each week's theme, including a community forum to share reflections and engage with and pray for other pilgrims from around the world.
