Join expert Boston College Law School faculty for a five-day introduction to the U.S. legal system, to the role of the lawyer in the U.S., and to legal problem-solving. Through simulated problems, learn how civil and criminal cases are handled in the U.S., and about the facilitative role lawyers play in business transactions. Sessions are interactive and participants receive materials to prepare in advance of the program.

Day 1: Introduction and History of the U.S. Legal System  
Day 2: Professional Responsibility and the Role of the Lawyer  
Day 3: A Civil Case  
Day 4: A Criminal Case  
Day 5: Legal Transactions

Participants will have six hours of sessions each day.
