Clinic students and Fellows are granted access to printers located in the Center for Experiential Learning (CEL) in the Smith Wing of the Law School. In order to have access to the CEL printers, the LAB faculty supervisor needs to send an e-mail to atrinbox@bc.edu to verify membership. Members of the Administrative & Technology Resources (ATR) department will add vetted students to the authorization table for the CEL printers. The LAB printers should only be used for print jobs generated through work for the clinics that make up CEL. LEXIS print jobs should be sent to the LEXIS printers located on Level 1 of the Law Library.

Please follow the instructions below to configure your laptop. If you encounter difficulties configuring your laptop, please visit the Law Library’s Student Computer Help Center (LIB 205) Monday through Friday at the posted times.
