

BC Defenders Server Access: Mac OSX

BC Defender students are granted access to the BCDefenders folder share on the BCLaw2 server. In order to have access to the BCDefenders folder, your faculty supervisor needs to send an e-mail to atrinbox@bc.edu to verify membership. Members of the Administrative & Technology Resources (ATR) department will add vetted students to the authorization table for the BCDefenders folder.

Please follow the instructions below to configure your laptop. If you encounter difficulties configuring your laptop, please visit the Law Library's Student Computer Help Center (LIB 205) Monday through Friday at the posted [times](#).

*Accessing the BCLaw2 server off campus will require a VPN (Virtual Private Network) connection for authentication. Setting up a BC VPN connection on your personal computer can be located here: <https://www.bc.edu/content/bc/offices/help-secure/getstarted/network/vpn.html>
