BC Defenders students are granted access to a printer located in the Defenders Lab located in the Center for Experiential Learning, Smith Wing, Room F301. In order to have access to the BC Defenders printer, your faculty supervisor needs to send an e-mail to atrinbox@bc.edu to verify membership. Members of the Administrative & Technology Resources (ATR) department will add vetted students to the authorization table for the BC Defenders Printer. The Defenders printer should only be used for print jobs generated through work for BC Defenders. LexisNexis print jobs should be sent to the LexisNexis printers located on Level 1 of the Law Library.

Please follow the instructions below to configure your laptop. If you encounter difficulties configuring your laptop, please visit the Law Library’s Student Computer Help Center (LIB 205) Monday through Friday at the posted times.
