Research Assistants and Teaching Assistants are granted access to a printer located in the Law Library at the Information Desk to support their work with their faculty employers. In order to have access to the RA/TA printer, your faculty supervisor needs to send an e-mail to atrinbox@bc.edu to verify employment. The e-mail message should contain the RA/TA’s name and the term of service with an end date. Members of the Administrative & Technology Resources (ATR) department will add vetted students to the authorization table for the RA/TA printer. The RA/TA printer should only be used for print jobs generated through work for the faculty employer. LEXIS print jobs should be sent to the LEXIS printers.

Use of the RA printer for personal/non-work related printing is not allowed. Abuse of the use of the RA printer will be reported to your faculty supervisor and your access privileges may be terminated.
