

How to Add the CEL LAB Printers to Your PC

In the Windows search bar,

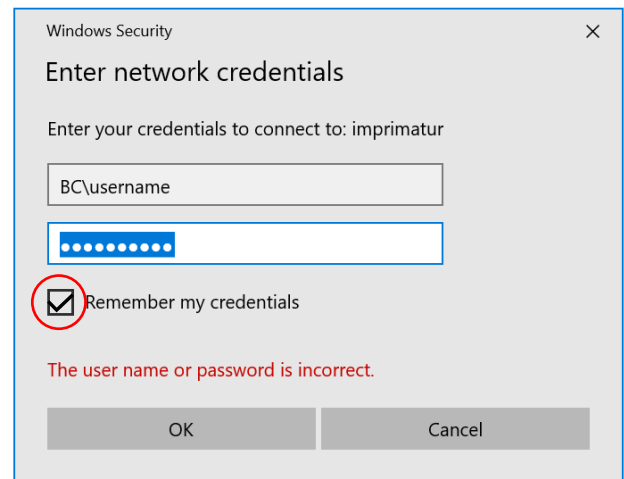

Type: `\\imprimatur`

Press Enter

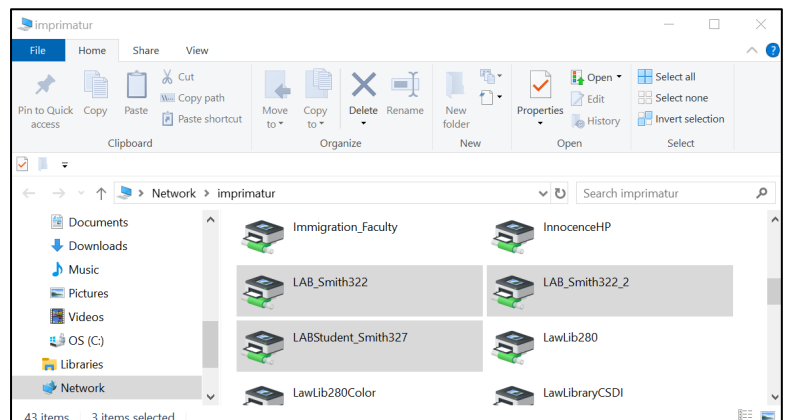

Enter your BC credentials in the following window.

Check the box to remember your password.

Locate the **LAB_Smith322** printer and double-click to add to your computer

The **LAB_Smith322** printer is now added to your computer.

Repeat this process to add **LAB_Smith322_2** and **LABStudent_Smith327**
