*denotes Premier member

**Core Roundtable** members enjoy many benefits, including:
- Virtual events and in-person meetings* that bring together corporate members and academic thought leaders
- CWF staff as an extension of members’ teams
- Customized data gathering, benchmarking, and research to meet members’ specific needs
- Opportunities to support and contribute to high-visibility CWF publications and Executive Briefings
- Access to members-only website, continuously updated to reflect new research and trends

**Premier Roundtable** members receive additional services, such as:
- Invitation to serve on the CWF Advisory Board
- Option to become a preferred research site
- Access to global forums & specialized programming
- Customized services based on the individual organization's needs, including:
  - Custom research
  - On-site corporate presentations, advising, facilitation and training services
  - Education modules for managers and employees (on-site or virtual)

*Two attendees per Roundtable meeting (Spring/Fall) included in the annual Core Roundtable membership dues. One attendee per University member. Additional representatives may attend meetings, space permitting, for a registration fee of $1,500.
