

BOSTON COLLEGE WORKFORCE ROUNDTABLE MEMBER ORGANIZATION LIST & BENEFITS

BOSTON
COLLEGE

Center for
Work & Family

The Boston College Workforce Roundtable supports many of the world's most progressive employers by facilitating a learning and networking community focused on enhancing the employee experience. The Roundtable provides corporate partners access to contemporary research and thought leadership to advance evidence-based, innovative workforce management practices.

*denotes Premier member

Core Roundtable members enjoy many benefits, including:

- Virtual events and in-person meetings* that bring together corporate members and academic thought leaders
- CWF staff as an extension of members' teams
- Customized data gathering, benchmarking, and research to meet members' specific needs
- Opportunities to support and contribute to high-visibility CWF publications and Executive Briefings
- Access to members-only website, continuously updated to reflect new research and trends

Premier Roundtable members receive additional services, such as:

- Invitation to serve on the CWF Advisory Board
- Option to become a preferred research site
- Access to global forums & specialized programming
- Customized services based on the individual organization's needs, including:
 - Custom research
 - On-site corporate presentations, advising, facilitation and training services
 - Education modules for managers and employees (on-site or virtual)

**Two attendees per Roundtable meeting (Spring/Fall) included in the annual Core Roundtable membership dues. One attendee per University member. Additional representatives may attend meetings, space permitting, for a registration fee of \$1,500.*
