

ESTABLISHMENTS CODED AS "TAKE-OUT" THAT WILL ACCEPT P-CARD

PLEASE CONSIDER BEFORE ORDERING TAKE-OUT: BC DINING SERVICES IS THE BEST CHOICE FOR YOUR CAMPUS MEETINGS. Procurement strongly recommends ordering from BC's Dining Services. By ordering from Dining Services for your department's meetings and events, you are supporting, not only our Dining Service workers, but also the entire University.

*Please note: This list is generated from activity on current p-cards and updated yearly. Procurement Services cannot determine an establishment's merchant category code. If a supplier is coded as a restaurant (MCC5812), the **p-card will not work**. If they are coded as a take-out establishment (5814), the p-card will work. When suppliers change banks or credit card issuers, the merchant code can change without their knowledge. ANY ORDERS MADE THROUGH **GRUBHUB, DOORDASH OR UBEREATS** WILL NOT WORK ON PCARD. THEY ARE CODED AS A RESTAURANT.*
