Welcome to the Boston College Internship Fair

The Internship Fair is your chance to meet with employers and talk about internships or just explore a few career fields.

Do you have questions? Are you nervous about what to say?
If you have questions or just need some encouragement, stop by the Career Center registration table.

During the Fair

1. First, take a look through this program and see who is here. The attached floor plan and employer profiles will help you locate specific companies.
2. Before you speak with an employer, look at their website or have a friend get you some literature from their table to gain a fuller understanding of what the organization does. Don’t ask an employer, “So, what does your company do?”
3. You may want to start with an employer who is not at the top of your list, to get over the jitters and get a sense of how these conversations go.
4. Approach the employers in which you are most interested and introduce yourself with your name, class year, major, and your background as it relates to the employer or the internships they are offering.
5. Be conversational! Be interested in what they have to say, and ask questions about the internship.
6. Get their business card, if possible, and once you have left the table, write a note about your conversation (for your thank you note).

After the Fair
Follow up with a thank you email for the internships you want. Use the notes you took at the fair. Let the employers know you enjoyed speaking with them and that you hope to set up an interview. For tips on thank you notes, go to http://www.bc.edu/content/bc/offices/careers/jobs/resumes/thankyou.html

Didn’t find what you were looking for?
If you’re looking for out-of-state employers or an industry not represented here, you have some GREAT alternative resources:

1. Log into our various internship databases, including EagleLink and UCAN (which is shared with 20 other top colleges and universities around the country) - https://bc-csm.symplicity.com/students/
   - Log into EagleLink and LOOK FOR THE UCAN LOGO.
2. Stop by the Career Center during our Drop-In hours and someone will assist you individually – Monday to Friday, 1-4 PM, AND Wednesday evenings, 5:00-7:30 PM OR call 617-552-3430 for an appointment with a career advisor.

Breakthrough Greater Boston (BTGB) is a successful academic enrichment program that provides a path to college for middle school students with high potential but limited opportunities while promoting careers in education for high school and college students. Using a Students Teaching Students model, BTGB provides dynamic, tuition-free academic programming in the summer and during the school year. Our younger students gain the skills and motivation to succeed in rigorous high school programs and, ultimately, in college. Meanwhile, our program empowers older students to teach—every member of our teaching faculty is a high school or college student. Teachers gain hands-on experience in every aspect of education while also receiving training and support from professional staff members.
