Conversation Partner Volunteer for the Office of Health Promotion

The Office of Health Promotion

The Office of Health Promotion seeks to educate students on the lifelong benefits of maintaining a healthy and well-balanced lifestyle; to empower students to make informed decisions and develop skills that enhance well-being; to foster a campus environment in which students thrive intellectually, spiritually, socially and physically by developing collaborative, cross university relationships and educational outreach guided by our unique Catholic/Jesuit mission.

Purpose: Facilitate individual conversations with students during screening events on alcohol, sleep and general wellness, discuss their results, and offer resources based on their individual needs.

Benefits:
- Be part of an exciting team of health professionals
- Make a difference on the Boston College campus
- Opportunity to develop one-on-one skills, as well as strengthen and enhance current skills
- Learn Motivational Interviewing Techniques
- Professional development luncheons
- Networking Opportunities

Qualifications: Enrollment in a Boston College Master’s graduate program. No experience necessary to apply as we provide volunteers with training to facilitate these conversations.

Expectations:
- Participate in Conversation Partner training at the beginning of the academic year
- Be available to staff large and small screening events throughout the year
- Participate in professional development sessions throughout the academic year

Cover letters and resumes can be submitted to:
