

# THE LEADERSHIP *Cafe*

## *what*

An open, welcoming, and informal network of colleagues — all with the common goal of becoming better leaders and connecting with others from diverse backgrounds

## *who*

Current, emerging, and aspiring leaders from every area of the University — No prior experience necessary, but a desire to lead and grow are required

## *when*

Quarterly meeting of the Leadership Café with a Steering Committee that will meet more frequently to determine the direction of the initiative

## *why*

Break through silos, solve problems, benefit from a diverse set of voices and perspectives, produce real outcomes, and empower employees

## *how*

Small group discussions, formal presentations, speakers, panel discussions, or workshop models
