

Protection of Minors on Campus

Purpose and Scope

This Policy establishes guidelines designed to provide a safe environment for minors when on the Boston College campus, or while participating in University-sponsored activities off campus. This Policy is intended to apply to University-sponsored activities involving minors, and programs for minors sponsored by non-University organizations that operate in University facilities.

Definitions

A **Minor** is any person under the age of 18, but, as such term as used in this Policy, excludes those enrolled at the University as full-time students.

The term **Authorized Adult** shall refer to an adult who is authorized pursuant to this Policy to supervise minors participating in a Program. As noted below in this Policy, all University students, employees, independent contractors or volunteers acting as authorized adults must be in compliance with the requirements of the provisions of this Policy captioned "Individuals Acting as Authorized Adults." Although a parent or legal guardian may supervise their own minor children and their guests who are minors while visiting the campus or using campus facilities, a parent or legal guardian may not act as an Authorized Adult in a Program (including one in which his or her child participates) unless they are in compliance with the requirements outlined below under "Individuals Acting as Authorized Adults."

A **Program** shall include any organized activity or event that is designed to include participants who are minors, offered by an academic or administrative unit of the University, whether on- or off-campus, or by non-University organizations using campus facilities. Programs shall include workshops, summer camps (day or residential), and group visits, but shall exclude the following **Exempt Programs**:

- Performances or events open to the general public (such as liturgies, athletic competitions, plays, concerts, lectures);
- Visits and tours for prospective students organized by the Office of Undergraduate Admissions
- Tutoring and mentoring by full-time Boston College students who are registered in recognized organizations (e.g. Big Brother/Big Sister), or participating in community service activities sponsored by an administrative or academic unit of the University provided that such activities take place only in public settings (such as libraries and dining halls) during normal operating hours; and
- Visits by minors over the age of 16, including overnight stays in University housing facilities by candidates for admission, prospective student-athletes, or siblings of enrolled students, when hosted by enrolled University students; provided, however, that all such visitors shall be fully subject to the Student Code of Conduct while on campus.

Responsible Dean or Vice President shall refer to the Vice President or Dean having responsibility over an administrative or academic unit, respectively, and, as used in this Policy, the Director of Athletics. In the event a Program using University facilities is sponsored by a non-University organization, the

Responsible Dean or Vice President shall be the Vice President or Dean arranging for, or authorizing the use of the facilities.

Presence of Minors on Campus

The University reserves the right to condition, restrict or deny access to University facilities by minors at its discretion. All minors, including those participating in Programs, shall be subject to all University regulations while on campus, and may be asked to leave the campus if unable to comply.

University-Sponsored Programs Involving Minors

Unless they are Exempt Programs, all University-sponsored Programs involving the participation of minors must comply with the following terms and conditions, as well as any other applicable requirements of federal, state or local law or regulation.

1. *Program Registration.* All academic and administrative units of the University sponsoring a Program in which minors will participate, whether located on or off campus, shall be required to register such Program with the Responsible Dean or Vice President and the Vice President for Human Resources not later than thirty (30) days prior to the commencement date of the Program. Registration shall be on forms approved by the Office of the Vice President for Human Resources, and shall require a description of the Program, a designation of the University employee having primary responsibility for the Program, a list of all persons who will act as Authorized Adults in connection with the Program (which information shall be updated as soon as it becomes available), together with evidence that the Program complies or will comply in all respects with the requirements of this Policy.
2. *Communication Plan.* All Programs shall establish a procedure for notification of all participants' parents/legal guardians in the event of an emergency, and obtain and keep accessible contact information for participants' parents/legal guardians, as well as emergency contacts in the event the parents/legal guardians are unavailable. All parents/legal guardians of participating minors shall be provided with contact information in order to reach participants while the Program is in session.
3. *Medical Emergency Plan.* All Programs must obtain: (i) authorization from all participants' parents/legal guardians to permit transportation of Program participants to University Health Services or local hospitals as deemed necessary; (ii) authorization for emergency medical treatment in the event the parents/legal guardians or their designated emergency contact are not available; and (iii) disclosure of any allergies or other medical condition or physical limitation that might impact participation in the Program. In the event any participants require administration of medicines while participating in the Program, necessary procedures shall be established with the guidance of University Health Services.
4. *Supervision Plan.* All Programs must establish a plan for adequate supervision in light of the number and average age of participants, the Program activity and whether overnight accommodations are involved. The Supervision Plan must specify the person having responsibility over all Authorized Adults serving in the Program, the proposed ratio of participants to Authorized Adults, the proposed number of Authorized Adults over 21, and provide a proposed breakdown of Authorized Adults by category of employees, students and volunteers. The Supervision Plan for any overnight program must specify curfews, rules pertaining to any visitors, and limitations of use of free time.

5. *Transportation Plan.* All Programs must establish a procedure for the pick-up and drop-off of participants, specifying times and locations, and providing that no participant shall be released to any person other than his or her parent or legal guardian without specific written authorization from such parent or guardian. Any Program providing for transportation of participants by Authorized Adults after drop off by parent or legal guardians to the campus or other site must be in all instances be reviewed and approved by the Office of Risk Management. Under no circumstances shall an Authorized Adult be permitted to be alone with a minor in a car or other vehicle.

Such background check shall include at a minimum a review of the Massachusetts Criminal and Sex Offender Records Information Registries (CORI/SORI), or the similar registries of the state or states of primary residence of such person, as well as a national criminal and sex offender search and a motor vehicle driving record search. All such checks shall be conducted in compliance with the applicable provisions of the Fair Credit Reporting Act and the regulations of the Massachusetts Criminal History Systems Board.
- **Training.** Each person proposed to serve as an Authorized Adult shall complete a training program on the protection of children from abuse, which program shall be approved by the Department of Human Resources.
