HOW TO GET STARTED WITH WEIGHT WATCHERS MEETINGS AT YOUR WORKPLACE

Start losing weight and living healthier with Weight Watchers! With Monthly Pass* you can get access to meetings At Work** and in your community plus FREE eTools, the Internet weight-loss companion.

To get started, just follow the steps below. At Work meetings can start once 20 people have purchased Monthly Pass, so be sure to tell your co-workers! And remember, once you’ve purchased your Monthly Pass, you can use your Monthly Pass to attend participating meeting locations in your local community until an At Work meeting is started.³

Step 1: Go to https://wellness.weightwatchers.com. Enter your company ID and passcode.

COMPANY ID: 23178
PASSCODE: WW23178

Step 2: Fill in your personal information and create a username and password. This is sign-in information you’ll use to sign up on this portal. If your company is subsidizing all or part of the monthly cost you will need to enter a unique Employee ID provided by your At Work Client Administrator.

NOTE: If you have a current eTools/Weightwatchers.com account and you want your history to be carried over to your new Monthly Pass subscription, simply click “Do you already have a Weightwatchers.com account?” above the “first name” box. This will prompt you to enter your previous eTools user ID and Password, then click “log in.”

Step 3: Enter your company information and indicate interest. Be sure that the company name and address reflects the location where you’d like to attend an At Work meeting. Read the terms and conditions, click the box to agree, and then click “next.”

Step 4: Choose Weight Watchers Meetings. View the pricing offered by your company. Under Meetings, click “go” and your work location ZIP code will autopopulate.

Step 5: Select Monthly Pass. Here you will see the location where At Work meetings may be held if the meeting minimum is met. In order to be counted toward the meeting minimum of 20, please click “Monthly Pass” to purchase a Monthly Pass subscription. Until an At Work meeting begins, you can begin working on your weight loss goals right away by attending meetings in your local community.

Step 6: Begin Purchase of Monthly Pass. Scroll down and enter in your height, weight, etc.

Step 7: Create your Weight Watchers account. This username and password will be used to log in to your actual Weight Watchers account (eTools, profile/payment info, Weight Watchers Online support items).

NOTE: If you have a current eTools/Weightwatchers.com account re-enter your password. You will be prompted to review your change in pricing in section 2. Your new pricing will be in effect at your next billing cycle. Scroll down and enter your shipping and billing address. Review the Monthly Pass subscription agreement and then click the box to agree to the terms and click the green check mark on the bottom right. Go to step 9.

Step 8: Complete purchase. Fill in payment information and click “complete sign up.”

Step 9: Print your temporary Monthly Pass. Bring this to the meeting room for the first month. You will get a new card in the mail each month thereafter.

Step 10: Attend your meeting. We will let you know as soon as there are enough people at your worksite signed up for an At Work meeting to begin. In the meantime, please feel free to use your Monthly Pass to attend a local community meeting.
