Welcome to Boston College

Established in 1855, Boston College is one of the oldest and most prestigious Jesuit, Catholic universities in the United States. Ranked 30th among national universities by U.S. News and World Report, Boston College has consistently exhibited a strong dedication to academic excellence. With approximately 9,100 undergraduate and 4,900 graduate students, the University offers programs in eight colleges, including the Morrissey College of Arts and Sciences, the Carroll School of Management, the Lynch School of Education, the Connell School of Nursing, the Graduate School of Social Work, the School of Theology and Ministry, Boston College Law School, and Woods College of Advanced Studies.
Boston was the site of major events which led to the American Revolution. Founded in 1630 by Puritans seeking religious freedom, Boston is home to many large companies in the financial services sector and the people in the greater metropolitan area. Boston is home to many large companies in the financial services sector and the neighborhoods, such as Beacon Hill, Back Bay, and the North End, can be expensive. With almost 4 million people in the greater metropolitan area, Boston is home to many large companies in the financial services sector and the neighborhoods, such as Beacon Hill, Back Bay, and the North End, can be expensive. With almost 4 million people in the greater metropolitan area, Boston is home to many large companies in the financial services sector and the neighborhoods, such as Beacon Hill, Back Bay, and the North End, can be expensive.
