

## ***Political Evacuation and Natural Disaster Program for Boston College***

### **GeoBlue Global Health & Safety - Drum Cussac Program Outline of Benefits provided to Boston College**

- Up to \$100,000 per individual and \$5,000,000 per incident for natural disaster and political evacuation services, up to and including transportation back home.
- Access to GeoBlue's Global Health & Safety team, providing continuous monitoring of political and security activity around the world. Emergency Message Relay provides updates to family around the clock until you arrive home.
- ***DRUM makes all determinations as to covered events and arranging any/all travel***

#### **The Details**

##### **Political Evacuation:**

- Evacuation to the nearest safe haven if the United States government or the host country's government declares that US Citizens should leave the area of political unrest/instability.
- After initial evacuation to the nearest safe haven Drum Cussac will transport you back to your permanent primary residence, or Boston College or back to the host country if it has been declared safe to return and at your discretion.
- Drum Cussac will also pay for the cost of food, lodging and, if necessary, physical protection during transport to the nearest safe haven.

##### **National Disaster Evacuation:**

- Evacuation to the nearest safe haven if your host city/country is made uninhabitable due to a natural disaster.
- After initial evacuation to the nearest safe haven Drum Cussac will transport you back to your permanent primary residence, or Boston College or back to the host country if it has been declared safe to return and at your discretion.
- Drum Cussac will also pay for the cost of food, lodging, and if necessary physical protection during transport to the nearest safe haven.

### **What to Do if You Experience a Political or Natural Disaster Emergency**

- Immediately seek shelter in the safest location possible.
- Once you're in a safe location, contact GeoBlue Global Health & Safety for assistance toll-free at: **1-800.257.4823 (US)**, or collect **610.254.8771** or via email [globalhealth@geo-blue.com](mailto:globalhealth@geo-blue.com).
- GeoBlue/ Drum Cussac will take all appropriate actions to assist you in getting to the nearest safe haven and all the way back home.
