Policy

In all matters pertaining to student activities, the use of the name "Boston College" and all other registered trademarks of the University must conform to the requirements of University policy [1-100-050](#), Use of Boston College Indicia.

Registered student organizations may use the name of Boston College as part of the organization's name only if the name of the University follows the name of the organization and only if the organization is clearly designated as a student organization (e.g., Outing Club of Boston College, not Boston College Outing Club). The only exceptions to this policy are those organizations that receive complete funding from the University (e.g., Band, Cheerleaders, Dramatics Society).

For the complete text of the Use of Boston College Indicia policy, please see policy [1-100-050](#) in this POLICY MANUAL, or, for related information, please refer to the current issue of the [BOSTON COLLEGE STUDENT GUIDE](#), published by the Office of the Dean for Student Development.
