WILDERNESS FIRST AID CERTIFICATION
Accidents happen. People get hurt, sick, or lost. The temperature drops, the wind picks up, and it starts to rain. Would you know what to do? Many backcountry emergencies are preventable, and even when bad things happen, sometimes the wrong care can make things worse. By learning a few basic skills, you can make the difference between a good outcome and a bad one—and maybe even save a life.

We are offering the Wilderness First Aid Certification course at Boston College. The course will meet on December 5 and 6. The certification course is open to members and non-members for $125. Sign up in Member Services at the Plex or online at reconnect.bc.edu
