About Boston College and the Office of Residential Life

Boston College is a Division One university with approximately 9,100 undergraduate students (7,600 residential), located on 118 acres in Chestnut Hill, Massachusetts, a beautiful suburb seven miles from the center of Boston. Founded by the Society of Jesus in 1863, Boston College has strong Roman Catholic educational values, which are used as a foundation for our work with and care for students.

The mission of the Office of Residential Life is to create a respectful, healthy, and safe living community for our residents. We are committed to integrating the Ignatian tradition into the formation of each student by connecting their intellectual, ethical, religious, and spiritual lives through a myriad of programs and services. Our role in this formational development is achieved by promoting the academic mission, modeling and encouraging responsible and ethical behaviors in conformity with the religious and moral principles of the Roman Catholic Church, engaging residents in conversations regarding respect for cultural diversity, and creating safe, well-managed learning environments where students can seek the greater good in conformity with the Jesuit tradition of service to others.

Under the leadership of the Associate Vice President, Director of Residential Education, and Director of Operations, the department consists of 40 professional staff members, 29 graduate positions, 192 RAs, and 20 additional student employees.

Position Overview

The Graduate Staff Assistant (GSA) is a live-in part time graduate assistantship for full-time enrolled graduate students. This position is great for those interested in exploring Residential Life as well as other functional areas because you can work in a leadership role in two areas, simultaneously having two assistantships. GSA’s serve as an administrative and developmental support assistant to an assigned area/residence hall community. In addition to Resident Assistant (RA) responsibilities (4+ hours/week), GSA’s participate in RA supervision, program planning, staff development, staff training, duty scheduling, and all other duties as assigned that are consistent with the spirit of the position (5 hours/week). GSA’s are also asked to attend departmental meetings, and can volunteer for multiple experiences such as participation in departmental committees and initiatives, conduct hearings, RA one-on-one’s and mentoring, etc.
