On the Off-Campus Housing database, select “Sign Up” to create an account.
Sign up as a “Guest” if you have not yet received your BC username and password.
Enter in all of your information and select “Register.”
Once your account page opens up, select “Housing” to look for listings.
Click on “More Filters” to narrow your search to just sublet options.
Scroll down through the options until you find “Spring Sublet,” select it, and then click “Search” to find them.
Listings specifically for spring subletting will appear. Listings shaded in blue indicate they were posted by someone within the BC community.
After clicking a listing that you might be interested in, contact the tenant or owner by phone or by an email through the website!
