

Eligibility for Federal aid is based on the 2020–2021 FAFSA data (completed online at studentaid.gov/h/apply-for-aid/fafsa) and at least half-time (usually 6 credits) enrollment each period/semester. Although this form is not required, it is beneficial to help determine a more accurate cost of attendance for the 2020–2021 year. If you will be enrolled for more than 6 credits per semester, in a dual degree program, or plan to apply for summer Direct Unsubsidized Loan, Grad PLUS Loan, or Private Loan, please indicate below. In addition, list any Outside Aid you expect to receive.

Also, due to limited funding, if you are interested in being considered for academic year and/or summer Work-Study, please indicate below.

Send this completed form (and retain a copy for your records) to www.bc.edu/finaidupload. Detailed instructions, including file limitations, are available under the “Applying for Aid” tab at www.bc.edu/gradaid. Please note that it takes 48–72 hours for your documents to be added to your financial aid file.
