Undergraduate students who misrepresent their address or claim to be living at a parent's address in order to obtain a parking permit and are subsequently found to be living in Allston, Brighton, Brookline, Chestnut Hill, or Boston will lose all parking privileges for current and future semesters, forfeit the cost of the parking permit, and be subject to disciplinary action.

I confirm and attest that the information provided reflects my true local address of residence while attending Boston College. I understand that I am bound to be familiar with and abide by the Parking and Traffic Regulations found at <http://www.bc.edu/offices/parking/> and that violations could lead to revocation of my parking permit.

Boston College assumes no responsibility for damage, theft, or property loss for any reason while a vehicle is operated or parked on Boston College properties, including flooding or other weather related incidents to vehicles and/or other content.
