

Research & Sponsored Projects

Office of Research Administration

Highlights of Sponsored Activities during 2000-2001

A total of 329 proposals were submitted in FY2001. The amount of funding requested for the total project period for these proposals was \$112,025,837.

In FY2001, a record was set for the number of award obligations received. There were 312 sponsored project award obligations made in FY2001 for a total of \$35,940,439. The total amount of award obligations received in FY2001 was approximately 12% higher than those received in FY2000. This is an indication of the continued success of Boston College faculty.

Overall, there remains a general upward trend in sponsored project activities at Boston College. There is a greater number of faculty working with the Office for Sponsored Programs to secure external funding from both Federal and non-Federal sponsors.
