¹This statistic includes estimated regular university scholarships and grants (through the operating budget), faculty kin tuition remission, athletic grants, Jesuit Reduction, Alumni Association Scholarships, and endowed monies for scholarships.

²State scholarship funds to students from Massachusetts, Vermont, Connecticut, Pennsylvania, Rhode Island, Maine, New Hampshire; Gilbert Grants; and Herter Scholarships.

³Pell Grant eligibility is determined directly by the federal government.

⁴These loan funds (formerly called "National Direct Student Loans") are obtained by federal government contributions, Boston College contributions, and collections of previous loans awarded.

⁵This is a duplicated total since some students receive more than one type of aid.

***Important Note:** The above data do not include Boston College student assistance for graduate and professional students (approximately \$17.84 million in tuition remission, grants, or scholarships and \$13.35 million in stipends during 2001-2002) administered by the various schools and departments. Also excluded are the Nursing Loan Program (\$164,100 during 2001-2002), a variety of grants and scholarships from fraternal organizations and clubs (\$4,992,877 during 2001-2002), and loans processed by Student Financial Services (\$77,030,407 during 2001-2002) for undergraduate students, graduate students, or their parents.
