<sup>1</sup>This statistic includes estimated regular university scholarships and grants (through the operating budget), faculty kin tuition remission, athletic grants, Jesuit Reduction, Alumni Association Scholarships, and endowed monies for scholarships.

<sup>2</sup>State scholarship funds to students from Massachusetts, Vermont, Connecticut, Pennsylvania, Rhode Island, Maine, New Hampshire; Gilbert Grants; and Herter Scholarships.

<sup>3</sup>Pell Grant eligibility is determined directly by the federal government.

<sup>4</sup>These loan funds (formerly called "National Direct Student Loans") are obtained by federal government contributions, Boston College contributions, and collections of previous loans awarded.

<sup>5</sup>This is a duplicated total since some students receive more than one type of aid.

Important Note: The above data do not include Boston College student assistance for graduate and professional students (approximately \$19.05 million in tuition remission, grants or scholarships and \$14.66 million in stipends during 2002-2003) administered by the various schools and departments.

Also, excluded are the Nursing Loan Program (\$362,850 during 2002-2003), a variety of grants and scholarships from fraternal organizations and clubs (\$5,651,772 during 2002-2003), and loans processed and received by Financial Services (\$78,261,185 during 2002-2003) for undergraduate students, graduate students, or their parents.
