

# Project Numbering Logic for Sponsored Awards

## PROJECTS CREATED BEFORE APRIL 1, 2014

5      0      0      0      0      0      0

Projects begin with

New awards used NEXT numbering for this sequence. Awards with subsequent funding had a completely new number with no logic showing the correlation to any related projects.

### Example:

Year 1 of award

5      0      0      0      2      3      4

Year 2 of award

5      0      0      1      5      6      2

Supplement

5      0      0      1      9      1      1

Year 3 of Award

5      0      0      2      0      0      4

All awards had different numbers with no logic

## PROJECTS CREATED AFTER APRIL 1, 2014

5      1      **CORE NUMBER**  
0      0      0      0      0

Projects begin with

New awards will use NEXT numbering for this sequence. Awards with subsequent funding that need to be separately accounted for will maintain the core number.

Year/Increment Designation. If grant does require year to year tracking, this number will remain "0"

### Example:

Year 1 of award

5      1      **CORE NUMBER**  
0      1      1      0      1

Year 2 of award

5      1      0      1      1      0      2

Supplement

5      1      0      1      1      0      3

Year 3 of Award

5      1      0      1      1      0      4

Core number that will be used each year

Year/Increment
