

**Righteous Among the Nations:  
A Conference Exploring the Spiritual & Ethical Witness of Holocaust Rescuers  
March 12-13, 2015  
Boston College**

The Israeli Holocaust Memorial Center, Yad Vashem, has honored over 25,000 individuals with the title "Righteous Among the Nations" for having risked or lost their own lives in rescuing Jewish lives during the Shoah. How do their activities still question us spiritually and ethically? The Center for Christian-Jewish Learning at Boston College is sponsoring this conference in order to examine the implications of this extraordinary human achievement, accomplished in the midst of genocidal violence.
