Course Approval Form for BIOCHEMISTRY MAJORS Studying Abroad

Directions:
1. Complete two copies of this form.
2. Attach course descriptions and supporting information, including prerequisites.
3. Bring forms to Prof Anthony Annunziato or Prof Eranthie Weerapana for signature.
4. Bring the signed forms to either the Biology or Chemistry office; keep one copy for yourself.
5. After course is completed abroad, come to Biology or Chemistry Office to have course substituted.

Rules:
1. Only one course can be used to substitute a biochemistry requirement (two if going abroad for two semesters).
2. The course must:
   a. Generally be equivalent to one of the courses that satisfies a requirement for the Biochemistry major.
   b. Have the appropriate pre-requisites.
   c. Not be for professional study (i.e. nursing).
   d. Not be for non-biology or biochemistry majors.
