

## CURRICULUM VITAE

Joseph J. Tecce

### Personal

Marital Status: Married, five children

Addresses: Psychology Department  
Boston College  
Chestnut Hill, Massachusetts 02467-3807 USA  
617 552 4121 (telephone)  
617 552 0523 (fax)  
tecce@bc.edu (email)

### Education

A.B. Bowdoin College, Brunswick, Maine  
M.A. Catholic University, Washington, D.C.  
Ph.D. Catholic University, Washington, D.C.

### Past Positions

1957-1958 Research Associate, Naval Research Laboratory, Washington, DC

1957-1961 Clinical Psychology Training Program, Veterans Administration, Washington, DC

1961-1964 USPHS Postdoctoral Research Fellow, Section on Psychosomatic Medicine, National Institute of Mental Health, Bethesda, Maryland

1962-1964 Lecturer in Experimental Psychology, Trinity College, Washington, DC

1963-1966 Captain, Medical Service Corps, U.S. Army Reserves

1964-1966 Research Associate in Psychology, Division of Psychiatry, Boston University School of Medicine

1966-1969 Assistant Research Professor of Psychology, Division of Psychiatry, Boston University School of Medicine

1966-1969 Research Psychologist, Division of Psychiatry, University Hospital, Boston University Medical Center

1968-1969 Lecturer in Neuropsychology, Department of Psychology, Boston University

1969-1970 Assistant Professor of Psychology, Department of Psychiatry, Harvard Medical School

Past Positions (continued)

- 1969-1970 Psychologist, Department of Psychiatry, Massachusetts General Hospital
- 1970-1973 Assistant Professor, Department of Psychiatry, Tufts University School of Medicine
- 1970-1988 Director, Neuropsychology Laboratory, Tufts University School of Medicine
- 1970-1997 Trustee, Boston Mental Health Foundation
- 1971-1980 Lecturer, Psychology Department, Boston College
- 1973-1974 President, Boston Mental Health Foundation
- 1973-1979 Associate Professor, Department of Psychiatry, Tufts University School of Medicine
- 1974-1976 Research Consultant, Department of Psychology, Washingtonian Center for Addictions, Boston
- 1974-1997 Treasurer, Boston Mental Health Foundation
- 1979-1981 Professor, Department of Psychiatry, Tufts University School of Medicine
- 1979-1988 Professor, Department of Neurology, Tufts University School of Medicine
- 1980-1983 Visiting Professor, Psychology Department, Boston College
- 1983-1986 Assistant Professor, Psychology Department, Boston College
- 1985-1988 Senior Scientist, USDA Human Nutrition Research Center on Aging at Tufts University
- 1986-1987 Affiliate Assistant Professor, Department of Psychology, Clark University
- 2004-2014 Board of Directors, International Organization of Psychophysiology

Present Positions

- 1986-present Associate Professor, Psychology Department, Boston College

1986-present Lecturer, Program in Behavioral Neuroscience, Boston University School of Medicine

### Research Programs

- 1969-1970 Principal Investigator, "Slow Brain Potentials (CNV) and Psychological Processes" (MH-17802), National Institute of Mental Health
- 1970-1975 Principal Investigator, "Psychotropic Drugs and Slow Brain Potentials in Man" (MH-19211), National Institute of Mental Health
- 1974-1976 Co-Investigator, "Addicting Drugs and Brain Function in Humans" (DA-01032), National Institute on Drug Abuse
- 1975-1976 Investigator, "Influence of Drug Treatment on Electrical Brain Activity and Behavior of Schizophrenic Patients," Boehringer Ingelheim Ltd.
- 1975-1980 Principal Investigator, "Neuropsychopharmacological Studies of Attention" (K02-MH-00016), National Institute of Mental Health
- 1976-1979 Principal Investigator, "Neuropsychological Studies of Attention and Aging" (AG-00515), National Institute on Aging
- 1977-1978 Investigator, "Evaluation of the Safety and Efficacy of Psychosurgery" (MH-ER-76-0064), National Institute of Mental Health
- 1981-1985 Principal Investigator, "Neuropsychopharmacological Studies of Sleep and Aging" (MH-34720), National Institute of Mental Health
- 1984-1987 Principal Investigator, "Neuropsychopharmacological Study of Alzheimer's Disease" (MH-39116), National Institute of Mental Health
- 1985-1988 Principal Investigator, "Neuropsychological Studies of Nutrition and Aging" (subcontract of GOCO No. 53-3K06-5-10), U. S. Department of Agriculture

### Editorial Board

2001-2011 International Journal of Psychophysiology

Editorial Consultant

2011	<u>Scandinavian Journal of Medicine and Science in Sports</u>
2012	<u>Psychiatry Research</u>

Professional Societies

American Psychological Association (Fellow)  
 American Association for the Advancement of Science (Fellow)  
 American College of Neuropsychopharmacology (Fellow)  
 International Organization of Psychophysiology (Fellow)

Awards

Postdoctoral Research Fellow, National Institute of Mental Health	1961-1964
Research Scientist Development Award, National Institute of Mental Health	1975-1980
Citizen of the Age of Enlightenment Award, American Foundation for the Science of Creative Intelligence	1976
Appreciation Award, United Holy Name Societies of Melrose, Stoneham, and Wakefield	1981
Discover Award for Technological Innovation (Finalist)	1994
Certificate of Appreciation, Kiwanis Club of Wellesley	2002
Honorary Member, Boston College Chapter, Golden Key International Honor Society	2006
Certificate of Appreciation, Kiwanis Club of Wellesley	2008
Wakefield Memorial High School Alumni Foundation, Nomination to Hall of Fame	2011

Certification

Licensed Psychologist (No. 1482)  
 Commonwealth of Massachusetts 1975-2015

Scientific Advisory Groups

Maternal and Child Health Research Committee, National  
 Institute of Child and Human Development  
 Aging Review Committee, National Institute on Aging

Career Development Unit and Merit Review Board,  
 Department of Medicine and Surgery, Veterans Administration  
 Neuroscience Study Center, Palo Alto  
 The Medical Foundation, Boston  
 National Institute of Mental Health  
 Merit Review Board in Mental Health and Behavioral Sciences,  
 Department of Medicine and Surgery, Veterans Administration  
 Scottish Rite Schizophrenia Research Program  
 Air Force Office of Scientific Research,  
 Department of the Air Force  
 National Institute on Drug Abuse

Institutional Review Boards

Boston State Hospital 1973-1978  
 Central Office Human Rights Committee,  
 Department of Mental Health,  
 Commonwealth of Massachusetts 1978-1983  
 Human Investigation Review Committee,  
 Tufts-New England Medical Center 1974-1988

Mancevska, S., Koneski, F., Pluncevic Gligoroska, J., Nikolovska, J., Rendzova, V., & Tecce, J. 2016. Factors related to high anxiety and depression in dentistry students in the Republic of Macedonia. Iran Journal of Public Health, 44, 1515-1517.

#### Presentations at Professional Meetings

Tecce, J. J., Commins, W. D., & Smith, W. J. (1960, September). Avoidance conditioning of verbal behavior and differential effects on recall. Paper presented at the meeting of the American Psychological Association, Chicago

Tecce, J. J., Gresock, C. J., O'Connor, J. P., & Stafford, J. W. (1961, August-September). Effects of stress on the learning and recall of paired associates. Paper presented at the meeting of the American Psychological Association, New York

Tecce, J. J., & Furth, H. G. (1962, August-September). Nonverbal paired-associates learning as a function of children's anxiety and response competition. Paper presented at the meeting of the American Psychological Association, St. Louis

Tecce, J. J., & Scheff, N. M. (1968, October). Attention and DC potentials ("contingent negative variation") in the human brain. Paper presented at the meeting of the Society for Psychophysiological Research, Washington, DC

Tecce, J. J. (1970, December). Drug effects on psychophysiological processes in schizophrenia. Paper presented at the meeting of the American College of Neuropsychopharmacology, San Juan, Puerto Rico

Tecce, J. J. (1971, June). CNV reduction by sustained cognitive activity. Paper presented at the Second International Congress on the Contingent Negative Variation, Vancouver, British Columbia

Tecce, J. J., & Cole, J. O. (1972, January). Effects of amphetamine on CNV and behavior. Paper presented at the meeting of the American College of Neuropsychopharmacology, Las Vegas

Tecce, J. J., & Cole, J. O. (1972, May). Effects of amphetamine on electrocortical potentials and behavior. Paper presented at the meeting of the American Psychiatric Association, Dallas

#### Presentations at Professional Meetings (continued)

Tecce, J. J., & Cole, J. O. (1972, November). Effects of amphetamine on CNV and behavior in normal adults. Paper presented at the meeting of the Society for Psychophysiological Research, Boston

Tecce, J. J., & Cole, J. O. (1973, August). Effects of amphetamine on CNV and behavior in man. Paper presented at the Third International Congress on Event-Related Slow Potentials of the Brain, Bristol, England

Tecce, J. J., & Cole, J. O. (1974, August-September). Effects of chlorpromazine on electrical brain activity (CNV) and behavior in normal subjects. Paper presented at the meeting of the American Psychological Association, New Orleans

Tecce, J. J., Cole, J. O., & Savignano-Bowman, J. (1974, November). Distraction effects on CNV and behavior in man. Paper presented at the meeting of the Psychonomic Society, Boston

Tecce, J. J., Branconnier, R. J., Cole, J. O., & Poon, L. W. (1975, August). Distraction effects on event-related electrical brain activity and behavior in aging individuals. Paper presented at the Design Conference on Decision-Making and Aging, sponsored by the National Institute on Aging, Cambridge, Massachusetts

Tecce, J. J., Cole, J. O., Mayer, J., & Lewis, D. (1975, December). Barbiturate effects on brain functioning (CNV) and attention performance in normal men. Paper presented at the meeting of the American College of Neuropsychopharmacology, San Juan, Puerto Rico.

Tecce, J. J. (1976, April). Distraction effects on CNV by a short-term memory task. Paper presented at the Fourth International Congress on Event-Related Slow Potentials of the Brain, Chapel Hill, North Carolina

Tecce, J. J., Cole, J. O., Mayer, J., & Lewis, D. C. (1976). The effects of barbiturates on brain functioning. Paper presented at the Third Annual National Drug Abuse Conference, New York

Tecce, J. J., Cole, J. O., Mayer, J., & Lewis, D. C. (1976, September). Methadone effects on brain functioning (CNV) and attention behavior. Paper presented at the meeting of the American Psychological Association, Washington, DC

Tecce, J. J., Savignano-Bowman, J., & Cole, J. O. (1976, December). Drugs and event-related slow brain potentials in man. Paper presented at the meeting of the American College of Neuropsychopharmacology, New Orleans

Tecce, J. J. (1977, April). Psychosurgery outcome and neuropsychological functions. Paper presented at the meeting of the Eastern Psychological Association, Boston

#### Presentations at Professional Meetings (continued)

Tecce, J. J. (1977, April). Contingent negative variation and attention functions in the aged. Paper presented at the Conference on Event Related Brain Potentials in Man, Airlie, Virginia

Tecce, J. J., Mayer, J., & Lewis, D. C. (1977, May). Methadone effects on brain functioning (CNV) and attention behavior. Paper presented at the Fourth Annual National Drug Abuse Conference, San Francisco

Tecce, J. J. (1977, December). Biofeedback and electrical brain activity. Paper presented at the 31st Winter Scientific Meeting of the American Medical Association, Miami Beach

Tecce, J. J., Cole, J. O., Mayer, J., & Lewis, D. C. (1977, December). Methadone effects on human brain functioning (CNV) and attention behavior. Paper presented at the meeting of the American College of Neuropsychopharmacology, San Juan, Puerto Rico

Tecce, J. J., Orzack, M. H., & Mirsky, A. F. (1978, March-April). Psychosurgery outcome and event-related electrical brain activity (CNV). Paper presented at the meeting of the Eastern Psychological Association, Washington, DC

Tecce, J. J. (1978, August). Frontal diminution of CNV rebound in older subjects. Paper presented at the NATO symposium, Event Related Potentials in Man: Applications and Problems, Konstanz, West Germany

Tecce, J. J., Orzack, M. H., & Mirsky, A. F. (1979, May). Psychosurgery outcome and hemispheric asymmetries in CNV. Paper presented at the Fifth International Symposium on Electrical Potentials Related to Motivation, Motor and Sensory Processes of the Brain, Ulm-Reisensburg, West Germany

Tecce, J. J., Yrchik, D. A., Meinbresse, D., Dessonville, C. L., & Cole, J. (1979, May). Age-related diminution of CNV rebound. Paper presented at the Fifth International Symposium on Electrical Potentials Related to Motivation, Motor and Sensory Processes of the Brain, Ulm-Reisensburg, West Germany

Tecce, J. J., Yrchik, D. A., Meinbresse, D., Dessonville, C. L., Clifford, T. S., & Cole, J. O. (1979, September). Young-old differences in brain functioning and type A and B CNV shapes. Paper presented at the meeting of the American Psychological Association, New York

Tecce, J. J., Cole, J. O., Dessonville, C. L., Boehner, M. B., & Branconnier, R. J. (1979, December). Methylphenidate effects on event-related brain activity and attention in type A and B older individuals. Paper presented at the meeting of the American College of Neuropsychopharmacology, San Juan, Puerto Rico

#### Presentations at Professional Meetings (continued)

Tecce, J. J., Yrchik, D. A., Meinbresse, D., Dessonville, C. L., Clifford, T. S., & Cole, J. O. (1980, September). CNV rebound and aging. Paper presented at the meeting of the American Electroencephalographic Society, Boston

Tecce, J. J., Branconnier, R. J., Cole, J. O., Boehner, M. B., & Cattanach, L. (1980, December). Hydergine treatment and brain functioning (CNV) in the aged: Preliminary findings. Paper presented at the meeting of the American College of Neuropsychopharmacology, San Juan, Puerto Rico

Tecce, J. J. (1981, March). Aging and brain functioning (CNV rebound). Paper presented at the meeting of the Eastern and New England Societies of EEG Technologists, Burlington, Vermont

Tecce, J. J. (1981, June). Divided attention and CNV rebound in aging. Paper presented at the Sixth International Conference on Event Related Slow Potentials of the Brain, Lake Forest, Illinois

Tecce, J. J., Savignano-Bowman, J., & Dessonville, C. L. (1981, June). CNV and myogenic functions. I. Muscle tension produces a dissociation of CNV and EMG. Paper presented at the Sixth International Conference on Event Related Slow Potentials of the Brain, Lake Forest, Illinois

Tecce, J. J., Cattanach, L., Boehner, M. B., & Clifford, T. S. (1981, June). CNV and myogenic functions. II. Divided attention produces a double dissociation of CNV

and EMG. Paper presented at the Sixth International Conference on Event Related Slow Potentials of the Brain, Lake Forest, Illinois

Tecce, J. J. (1981, October). Psychopharmacologic study of brain potentials (CNV rebound) and aging. Paper presented at the Second Annual Seminar on Neurologic Therapeutics: The Treatment of Age-Related Changes in the Brain, Boston

Tecce, J. J., Savignano-Bowman, J., & Dessonville, C. L. (1981, October-November). CNV and myogenic functions. I. Muscle tension produces a dissociation of CNV and EMG. Paper presented at the meeting of the Society for Psychophysiological Research, Washington, DC

Tecce, J. J., Boehner, M. B., & Cattanach, L. (1981, October-November). CNV and myogenic functions. II. Divided attention produces a double dissociation of CNV and EMG. Paper presented at the meeting of the Society for Psychophysiological Research, Washington, DC

Tecce, J. J., & Cattanach, L. (1982, April). Divided attention and brain functioning (CNV rebound) in young and older individuals. Paper presented at the meeting of the Eastern Psychological Association, Baltimore

#### Presentations at Professional Meetings (continued)

Tecce, J. J. (1982, August). Attention impairment and event-related brain potentials in the elderly. Paper presented at the meeting of the American Psychological Association, Washington, DC

Tecce, J. J., Yrchik, D. A., Meinbresse, D., Dessonville, C. L., & Cattanach, L. (1982, August). Age-related differences in divided attention and CNV rebound. Paper presented at the meeting of the American Psychological Association, Washington, DC

Tecce, J. J. (1982, December). CNV rebound and impaired attention in Alzheimer's patients. Paper presented at the International Symposium on Cerebrovascular Disease and Pathology of Aging Brain, Monte Carlo.

Tecce, J. J., Cole, J. O., Dessonville, C. L., & Cattanach, L. (1983, April). Dextroamphetamine effects on brain functioning in type A and B individuals. Paper presented at the meeting of the Eastern Psychological Association, Philadelphia

Tecce, J. J. (1983, July). Event-related brain activity and Hydergine treatment in Alzheimer's patients. Paper presented at a conference, Research Progress in Dementia, Charing Cross Hospital, London

Tecce, J. J. (1983, September). CNV rebound in Alzheimer's patients. Paper presented at the Seventh International Conference on Event Related Potentials of the Brain, Florence

Tecce, J. J. (1983, September). Event-related negative slow potentials and neurotransmitters. Paper presented at the Seventh International Conference on Event Related Potentials of the Brain, Florence

Tecce, J. J., Cole, J. O., Dessonville, C. L., & Cattanach, L. (1983, December). Dextroamphetamine effects on event-related brain activity (CNV). Paper presented at the meeting of the American College of Neuropsychopharmacology, San Juan, Puerto Rico

Tecce, J. J., Cattanach, L., Boehner-Davis, M. B., Branconnier, R. J., & Cole, J. O. (1984, April). Alzheimer's patients show reduced event-related brain negativity in a divided-attention task. Paper presented at the meeting of the Eastern Psychological Association, Baltimore

Tecce, J. J. (1984, August). Neuropsychopharmacological studies of Alzheimer's disease. Paper presented at the meeting of the American Psychological Association, Toronto

Tecce, J. J., Cole, J. O., Cattanach, L., & Dessonville, C. L. (1984, December). Dextroamphetamine effects on event-related brain activity (CNV). Paper presented at the meeting of the American College of Neuropsychopharmacology, San Juan, Puerto Rico

#### Presentations at Professional Meetings (continued)

Tecce, J. J. (1985, April). Neurophysiological studies of Alzheimer's disease. Paper presented at a conference, Degenerative Neurological Disease in the Elderly, Oxford, England.

Tecce, J. J., Cattanach, L., Branconnier, R. J., & Cole, J. O. (1985, August). CNV rebound and Alzheimer's disease. Paper presented at the Eleventh International Congress of Electroencephalography and Clinical Neurophysiology, London

Tecce, J. J., Cattanach, L., Dessonville Hill, C. L., & Cole, J. O. (1986, June). Dextroamphetamine effects on CNV magnitude in type A and B individuals. Paper presented at the Eighth International Conference on Event-Related Potentials of the Brain (EPIC VIII), Stanford, California

Tecce, J. J., Charlton, E. A., & Lutender, L. A. (1986, August). Contingent negative variation: A possible biological marker of Alzheimer's disease. Paper presented at the meeting of the American Psychological Association, Washington, DC

Tecce, J. J., Raber, S. R., O'Brien, M. E., Russell, R. M., Ribaya-Mercado, J. D., Sahyoun, N., Morrow, F. D., Sadowski, J. A., & Gershoff, S. N. (1987, December). Vitamin B6 depletion and l-tryptophan effects on brain functioning. Paper presented at the meeting of the American College of Neuropsychopharmacology, San Juan Puerto Rico

Tecce, J. J. (1988, October). Contingent negative variation (CNV). Paper presented at the annual meeting of the American Medical EEG Association, Lexington, Kentucky

Tecce, J. J., Kosta, S. M., Mazaheri, S. T., Russell, R. M., Ribaya-Mercado, J. D., & Gershoff, S. N. (1988, December). Tryptophan and divided-attention effects on event-related brain potentials (CNV). Paper presented at the meeting of the American College of Neuropsychopharmacology, San Juan, Puerto Rico

Tecce, J. J. (1989, May). Drugs, nutrition, and CNV. Paper presented at the Ninth International Conference on Event-Related Potentials of the Brain (EPIC IX), Noordwijk, Netherlands

Tecce, J. J., Kosta, S. M., Mazaheri, S. T., Russell, R. M., Ribaya-Mercado, J. D., Morrow, F. D., & Gershoff, S. N. (1989, May) Tryptophan and divided-attention effects on CNV. Paper presented at the Ninth International Conference on Event-Related Potentials of the Brain (EPIC IX), Noordwijk, Netherlands

Tecce, J. J. (1989, October). Eyeblinks and psychological functions: A two-process model. Paper presented at the meeting of the Society for Psychophysiological Research, New Orleans

#### Presentations at Professional Meetings (continued)

Tecce, J. J. (1990, December). Dopamine and slow brain potentials: A proposed theoretical model. Paper presented at the meeting of the American College of Neuropsychopharmacology, San Juan, Puerto Rico

Branconnier, R. J., Branconnier, M. E., Walshe, T. M., & Tecce, J. J. (1991, December). The potential of L-type CA<sub>2</sub>+channel blockers in the prevention of Alzheimer's disease. Paper presented at the meeting of the American College of Neuropsychopharmacology, San Juan, Puerto Rico

Branconnier, R. J., Branconnier, M. E., Walshe, T. M., & Tecce, J. J. (1992, December). A Flesch-Kincaid analysis of expressive verbal complexity in Alzheimer's disease: A pilot study of a potential treatment outcome measure. Paper presented at the meeting of the American College of Neuropsychopharmacology, San Juan, Puerto Rico

Tecce, J. J., Gips, J., & Olivieri, C. P. (1994, December). A proposed method for drug assessment by eye movements. Paper presented at the meeting of the American College of Neuropsychopharmacology, San Juan Puerto Rico

Branconnier, R. J., Branconnier, M. E., Walshe, T. M., & Tecce, J. J. (1994, December). Recruiting for investigational drug trials in Alzheimer's disease: The effect

of tacrine. Paper presented at the meeting of the American College of Neuropsychopharmacology, San Juan, Puerto Rico

Tecce, J. J. (1995, June). Fact, law, and theory in CNV research. Paper presented at the Eleventh International Conference on Event-Related Potentials of the Brain (EPIC XI), Okinawa

Tecce, J. J. (1995, December). A proposed method for drug assessment by eye movements. Paper to be presented at the meeting of the American College of Neuropsychopharmacology, San Juan, Puerto Rico

Branconnier, R. J., Morse, P. A., Palmer, E. P., Schwartz, G. E., Bobo, R. E., Stern, W., Mazzola, J., Tchamitchian, G., & Tecce, J. J. (1996, December). Nausea and emesis induced by cholinesterase inhibitors: Prophylaxis and predictors. Paper presented at the meeting of the American College of Neuropsychopharmacology, San Juan, Puerto Rico

Tecce, J. J. (1998, July). The clinical value of experimental paradigms in the study of ERPs. Paper presented at the Twelfth International Conference on Event-Related Potentials of the Brain, Cambridge, Massachusetts

Tecce, J. J. (1998, September). Theories of arousal: Then and now. Paper presented at the Ninth World Congress of Psychophysiology, Taormina

#### Presentations at Professional Meetings (continued)

Travis, F., Tecce, J., Gunes Yucel, H., & Durchholz, C. (2001, October). Cortical plasticity, CNV, and transcendent experiences: Replication with subjects reporting permanent transcendent experiences. Paper presented at the Forty-First Annual Meeting of the Society for Psychophysiological Research, Montreal

Tecce, J. J., Pok, L. J., Consiglio, M., & O'Neil, J. L. (2002, July). Attention impairment in electrooculographic control of computer functions. Paper presented at the 11th World Congress of Psychophysiology, Montreal

Tecce, J. J., Pok, L. J., Consiglio, M., & O'Neil, J. L. (2003, December). A proposed method for drug assessment: Attention impairment in electrooculographic control of computer functions. Paper presented at the 12th Annual Meeting of the American College of Neuropsychopharmacology, San Juan, Puerto Rico

Tecce, J. J. (2004, September). Eye movements and psychological functions. Paper presented at the 12th World Congress of Psychophysiology, Thessaloniki

Tecce, J. J. (2006, August). A two-factor model of blink frequency: Hedonic arousal and attention. Paper presented at the 13th World Congress of Psychophysiology, Istanbul

Tecce, J. J. (2008, September). Eye movements and U.S. presidential elections. Paper presented at the 14th World Congress of Psychophysiology, St. Petersburg, Russia

Tecce, J. J. (2010, September). CNV and the pathophysiology of attention. Paper presented at the 15th World Congress of Psychophysiology, Budapest

Tecce, J. J. (2012, September). The functional significance of eyeblinks. Paper presented at the 16th World Congress of Psychophysiology, Pisa

Tecce, J. J. (2012, September). A tribute to Constantine A. Mangina. Paper presented at the 16th World Congress of Psychophysiology, Pisa

Mancevska S., Pluncevic, J., Bozinovska L., & Tecce J. J. (2012, September). CNV and the learning process with chronic schizophrenia. Paper presented at the 16th World Congress of Psychophysiology, Pisa

Tecce, J. J. (2014, November). Tribute to Korean War Veterans. 14th Annual Veterans Remembrance Ceremony, Veterans Memorial, Burns Lawn, Boston College

Tecce, J. J. (2016, November). Tribute to World War II Veterans. 16th Annual Veterans Remembrance Ceremony, Veterans Memorial, Burns Lawn, Boston College

Tecce, J. J. (2017, November). Tribute to Korean War Veterans. 17th Annual Veterans Remembrance Ceremony, Veterans Memorial, Burns Lawn, Boston College

### Colloquia

Tecce, J. J. (1964, September). Shock-arousal and attention in humans. Colloquium presented at the Adult Psychiatry Branch, National Institute of Mental Health, Bethesda, Maryland

Tecce, J. J. (1964, November). Shock-arousal and attention in humans. Colloquium presented at the Division of Psychiatry, Boston University Medical Center, Boston

Tecce, J. J. (1968, November). CNV and psychological processes in man. Colloquium presented at the Division of Psychiatry, Boston University Medical Center, Boston

Tecce, J. J. (1969, February). CNV and psychological processes in man. Colloquium presented at the Department of Anesthesiology, Beth Israel Hospital, Boston

Tecce, J. J. (1969, March). Contingent negative variation (CNV) and psychological processes in man. Colloquium presented at the Department of Psychology and Social Relations, Harvard University, Cambridge

Tecce, J. J. (1969, May). Evoked potentials and attentional processes in man. Colloquium presented at the Department of Psychology and Social Relations, Harvard University, Cambridge

Tecce, J. J. (1969, October). CNV and psychological processes in man. Colloquium presented at the Department of Psychiatry, Stanford University School of Medicine, Palo Alto, California

Tecce, J. J. (1969, October). Psychological processes and slow potentials in the human brain. Colloquium presented at the Department of Psychiatry, Massachusetts General Hospital, Boston

Tecce, J. J. (1970, March 5). Evoked brain potentials and psychological processes in man. Part 1. Colloquium presented at the Neurological Unit, Boston State Hospital, Boston

Tecce, J. J. (1970, March 12). Evoked slow brain potentials and psychopathology in man. Part 2. Colloquium presented at the Neurological Unit, Boston State Hospital, Boston

Tecce, J. J. (1971, May). Human brain activity and psychological processes. Colloquium presented at Boston State Hospital, Boston

Tecce, J. J. (1972, July). Contingent negative variation and psychological processes. Colloquium presented at the Summer Training Institute for Social Scientists, Massachusetts Mental Health Center, Boston

#### Colloquia (continued)

Tecce, J. J. (1972, October). Contingent negative variation, drugs, and behavior. Colloquium presented at the Division of Psychiatry, Boston University Medical Center, Boston

Tecce, J. J. (1973, May). The brain, attention, and drugs. Colloquium presented at the annual Psi Chi meeting of Boston State College, Boston

Tecce, J. J. (1974, March). Psychotropic drugs and event-related brain potentials in man. Colloquium presented at the Division of Psychiatry, Boston University Medical Center, Boston

Tecce, J. J. (1975, May). Drug effects on human brain and behavior. Colloquium presented at the annual meeting of the Eastern Middlesex Mental Health Association, Melrose, Massachusetts

Tecce, J. J. (1975, September). Attention impairment and psychopathology. Colloquium presented at St. Elizabeth's Hospital, Boston

Tecce, J. J. (1977, March). Eye blinks and brain functions: Do they measure psychological disturbance? Colloquium presented at Glover Hospital, Needham, Massachusetts

Tecce, J. J. (1977, June). Drug effects on brain functions. Colloquium presented at the Upjohn Company, Kalamazoo, Michigan

Tecce, J. J. (1978, January). Attention functions in the elderly. Colloquium presented at Shattuck Hospital, Boston

Tecce, J. J. (1979, March). Psychobiological studies of attention impairment. Colloquium presented at the Department of Psychology, Boston College, Chestnut Hill, Massachusetts

Tecce, J. J. (1979, March). Attention impairment and event-related brain activity (CNV). Colloquium presented at the Department of Neurology, Tufts-New England Medical Center, Boston

Tecce, J. J. (1979, April). Distraction-arousal processes and psychopathology. Colloquium presented at the Department of Psychiatry, Tufts-New England Medical Center, Boston

Tecce, J. J. (1979, December). Brain functioning, CNV, and attention in the elderly. Colloquium presented at Peter Bent Brigham Hospital, Boston

Tecce, J. J. (1981, September). Brain mechanisms and sleep. Lecture presented in the Neurosciences Program at Tufts University School of Medicine, Boston

#### Colloquia (continued)

Tecce, J. J. (1982, January). Aging and attention problems. Colloquium presented at the meeting of the Jamaica Plain Geriatric Provider Group, Faulkner Hospital, Jamaica Plain, Massachusetts

Tecce, J. J. (1982, March). Event-related brain activity and attention impairment in the aged. Colloquium presented at Grand Rounds of the Department of Neurology, Tufts-New England Medical Center, Boston

#### Colloquia (continued)

Tecce, J. J. (1982, April). Impaired attention and brain functioning in older individuals. Colloquium presented at the School of Nutrition, Tufts University, Medford, Massachusetts

Tecce, J. J. (1983, March). Neuropsychological studies of impaired attention. Colloquium presented at the Department of Psychology, Boston College, Chestnut Hill, Massachusetts

Tecce, J. J. (1984, January). Senile dementia of the Alzheimer's type: Recent research. Colloquium presented at Quigley Hospital, Chelsea, Massachusetts

Tecce, J. J. (1984, May). Neuropsychological studies of aging and Alzheimer's disease. Colloquium presented at Grand Rounds of the Departments of Neurology and Neurosurgery at Tufts-New England Medical Center, Boston

Tecce, J. J. (1984, September). Neuropsychological studies of aging. Colloquium presented at the USDA Northeastern Region Human Nutrition Research Center on Aging at Tufts University, Boston

Tecce, J. J. (1984, September). Brain mechanisms and sleep. Lecture presented in the Neurosciences Program at Tufts University School of Medicine, Boston

Tecce, J. J. (1984, October). Senile dementia of the Alzheimer's type: Recent findings. Colloquium presented at Webber Hospital, Biddeford, Maine

Tecce, J. J. (1984, November). Neuropsychopharmacological study of Alzheimer's disease. Colloquium presented at the Academic Lecture Series of Boston University Medical Center, Boston

Tecce, J. J. (1985, March). Neuropsychological studies of aging and Alzheimer's disease. Colloquium presented at the Aphasia Research Center, Boston Veterans Administration Medical Center, Boston

Tecce, J. J. (1985, May). Alzheimer's disease and the human brain. Public lecture presented at the meeting of the Epilepsy Chapter of Wakefield at the Melrose-Wakefield Hospital, Melrose, Massachusetts

#### Colloquia (continued)

Tecce, J. J. (1985, October). Alzheimer's disease. Public lecture presented at the meeting of the Tufts Alumni Council at Tufts University, Medford, Massachusetts

Tecce, J. J. (1986, February). Neuropsychological studies of aging and Alzheimer's disease. Colloquium presented at the USDA Northeastern Region Human Nutrition Research Center on Aging at Tufts University, Boston

Tecce, J. J. (1986, June). The distraction-arousal hypothesis and stress control. Colloquium presented at Lawrence Johnson and Associates, Washington, DC

Tecce, J. J. (1986, October). Alzheimer's disease and aging: Event-related brain activity. Grand rounds presented at the Department of Psychiatry, Medical College of Virginia, Virginia Commonwealth University, Richmond, Virginia

Tecce, J. J. (1986, October). Neuropsychological studies of aging and Alzheimer's disease. Public lecture presented for the Friends of Winchester Hospital, Winchester, Massachusetts

Tecce, J. J. (1986, November). Components of brain electrical potentials. Lecture presented for Boston University School of Medicine and Clark University, at the Veterans Administration Medical Center, Boston

Tecce, J. J. (1986, November). Brain activation, aging, and Alzheimer's disease. Colloquium presented for the Department of Psychology, Concordia University, Montreal

Tecce, J. J. (1986, December). Alzheimer's disease and aging: Event-related brain potentials. Colloquium presented for the Department of Psychology, Shattuck Hospital, Boston

Tecce, J. J. (1987, June). Distraction-arousal coupling and a meditation technique. Colloquium presented at the USDA Northeastern Region Human Nutrition Research Center on Aging, Tufts University, Boston

Tecce, J. J. (1987, June). Alzheimer's disease. Colloquium presented for the Department of Professional Development, Boston College, Chestnut Hill, Massachusetts

Tecce, J. J. (1987, October). Meditation techniques to improve your concentration. Colloquium presented for the Department of Professional Development, Boston College, Chestnut Hill, Massachusetts

Tecce, J. J. (1987, November). Electrical brain activity. Lecture presented for Boston University School of Medicine and Clark University at the Veterans Administration Medical Center, Boston

#### Colloquia (continued)

Tecce, J. J. (1987, December). Alzheimer's disease. Lecture presented for Whidden Memorial Hospital, Everett, Massachusetts

Tecce, J. J. (1988, January). Aging and remembering. Public lecture presented for the USDA Human Nutrition Research Center, Tufts University, Boston

Tecce, J. J. (1988, June). Improved concentration through distraction-meditation. Colloquium presented for the Department of Professional Development, Boston College, Chestnut Hill, Massachusetts

Tecce, J. J. (1988, October). Improved concentration through distraction-meditation. Colloquium presented for the Department of Professional Development, Boston College, Chestnut Hill, Massachusetts

Tecce, J. J. (1988, December). Event-related brain potentials. Lecture presented for Boston University School of Medicine and Clark University at the Veterans Administration Medical Center, Boston

Tecce, J. J. (1989, June). Meditation techniques to improve your concentration. Colloquium presented for the Department of Professional Development, Boston College, Chestnut Hill, Massachusetts

Tecce, J. J. (1989, October). Electrical brain activity. Lecture presented for Boston University School of Medicine and Clark University at the Veterans Administration Medical Center, Boston

Tecce, J. J. (1989, October). Meditation techniques to improve your concentration. Colloquium presented for the Department of Professional Development, Boston College, Chestnut Hill, Massachusetts

Tecce, J. J. (1989, November). Understanding Alzheimer's disease. Colloquium presented for the Department of Professional Development, Boston College, Chestnut Hill, Massachusetts

Tecce, J. J. (1990, October). Electrical brain activity. Lecture presented for Boston University School of Medicine and Clark University at the Veterans Administration Medical Center, Boston

Tecce, J. J. (1991, June). Alzheimer's disease. Public lecture presented for St. Florence's Church, Wakefield, Massachusetts

Tecce, J. J. (1991, October). Electrical brain activity. Lecture presented for Boston University School of Medicine and Clark University at the Veterans Administration Medical Center, Boston

#### Colloquia (continued)

Tecce, J. J. (1991, October). Reducing stress with meditation. Colloquium presented for the Department of Professional Development, Boston College, Chestnut Hill, Massachusetts

Tecce, J. J. (1992, January). Alzheimer's disease. Public lecture presented for St. John's Church, Wellesley, Massachusetts

Tecce, J. J. (1992, March). Understanding Alzheimer's disease. Colloquium presented for the Department of Professional Development, Boston College, Chestnut Hill, Massachusetts

Tecce, J. J. (1992, June). Stress -- and what you can do about it. Public lecture presented for St. Florence's Church, Wakefield, Massachusetts

Tecce, J. J. (1992, October). Electrical brain activity. Lecture presented for Boston University School of Medicine and Clark University at the Veterans Administration Medical Center, Boston

Tecce, J. J. (1992, October). Eyeblink analyses of the 1992 US presidential debates. Public lecture presented for St. Florence Church, Wakefield, Massachusetts

Tecce, J. J. (1993, October). Electrical brain activity. Lecture presented for Boston University School of Medicine and Clark University at the Veterans Administration Medical Center, Boston

Tecce, J. J. (1993, October). Reducing stress with meditation. Colloquium presented for the Department of Professional Development, Boston College, Chestnut Hill, Massachusetts

Tecce, J. J. (1993, October). Electrical brain activity in humans. Lecture presented for the Department of Psychiatry at St. Elizabeth's Hospital, Boston
