Register for the Winter Job Shadow Program!
Open to all majors and class years, the Boston College Career Center Job Shadow program pairs undergraduates with individual host sites for a day-long immersion experience over Winter Break. Over the course of a day, students gain valuable exposure into a field of interest as well as mentorship from working professionals in the industry, emerging from the program with new insight and contacts. In January 2017, over 250 job shadows were completed nationwide.

Students who participate in the program can expect to:
- Connect with alumni and employers
- Gain insight into what it would be like to work in an organization on a day-to-day basis
- Observe client/customer interactions and sit in on staff meetings
- Discuss your career pursuits and aspirations with professionals

The 2018 Job Shadow program will take place from January 3-9 at sites nationwide. Register on EagleLink.
