Dear BC Preceptors,

As the fall semester comes to a close and the winter season is upon us, I would like to express my sincere thanks for your support of the Advanced Practice Nursing students at Boston College. We are so grateful for the time and expertise you share with our students. I am constantly inspired by our preceptors, students and faculty; all incredibly busy people. Yet you all come together in a shared experience to create the next generation of skilled nurse practitioners. It really does take a village to accomplish such a goal!

I hope you will consider attending the Preceptor Appreciation Dinner this year, which will be held on April 14th, 2015. The dinner is a great night to network with other preceptors and BC faculty. There is a CE component as well. More information will follow in February about the dinner.

Warmest Wishes for a Wonderful Holiday Season!

Sincerely,  
Janet Stout  
Clinical Placement Specialist
