Dear BC Preceptors,

Welcome to the 2016—2017 academic Year! We are so thankful to you for sharing your time and expertise with the class of 2017. We have 92 students working with 240 preceptors this fall. Each student has 2-3 placements located in Massachusetts, Rhode Island and New Hampshire. We also want to thank your administrative staff who work with students and the clinical placement office to complete any onboarding requirements. There are many moving parts to clinical placements but Preceptors are the key!

If you have any questions or need assistance please feel free to contact me or the Program Director for your specialty.

AGNP - Jane Flanagan, jane.flanagan@bc.edu
