Office: Maloney 354

Office Hours: Monday 12-1, Wednesday 12-2

Buying the full book will be more expensive than the BC custom edition.

Prerequisites: one semester of differential Calculus. This course is designed for non-science majors. For more information read http://www.bc.edu/mathadvise

Homework: Homework will usually be assigned each Wednesday and will be due the following Wednesday. You are strongly encouraged to work together on the homework, but you should hand in your own work.

Exams: Three midterms and a common final exam. The midterm dates will be determined soon.

Grade: Each midterm 18%, Final 36%, Homework 10%

If you are a student with a documented disability seeking reasonable accommodations in this course, please contact Kathy Duggan, (617) 552-8093, dugganka@bc.edu, at the Connors Family Learning Center regarding learning disabilities and ADHD, or Paulette Durrett, (617) 552-3470, paulette.durrett@bc.edu, in the Disability Services Office regarding all other types of disabilities, including temporary disabilities.

Advance notice and appropriate documentation are required for accommodations. Unexcused absence from any exam will earn a zero; no make-up exam will be given without legitimate and documented reasons.

Any work with your name on it is presumed to be your own. Any infringement of the Academic Integrity Policy is taken very seriously and reported to the Dean. Please read more about it: http://www.bc.edu/integrity
