

# THE CAREER CENTER

Alumni can be great resources to students who are exploring career opportunities. The following volunteer opportunities are ways you can serve BC students. Additional information can be found on our website: <http://careercenter.bc.edu>. If you are interested in becoming an alumni volunteer, contact Marie Geary at [marie.geary@bc.edu](mailto:marie.geary@bc.edu) or 617-552-3466.

## **Alumni Career Network**

Join the database of alumni who are volunteering to help students and other alumni with their career goals by providing informational interviews and career advice. The database is accessed through the alumni online community.

## **LinkedIn**

Join the BC Alumni Career Volunteers group on LinkedIn:  
<http://www.linkedin.com/e/vgh/1891067/>

## **Career Conversations**

A&S alumni speak about their career path with groups of students. The series takes places in the evening.

## **Career Fair Participation**

Be a “Careers In” representative — alumni staff tables and answer questions that students have about their career fields.

## **Jobs, Jobs, Jobs**

Encourage your organization to post their internships and after-graduation jobs with EagleLink, our career management system or provide the name of the contact person responsible for recruiting.

## **Lunch & Learn**

Come for lunch and speak with students about your career field or other career-related topics.

## **Career Cafes**

Can't come for lunch; join us late afternoon or evenings instead.

## **Beyond the Heights**

Host a lunch or dinner for students in your hometown with other local alumni in your career field.

## **Externships**

Agree to have a student shadow you for a day or more during the holiday break.

## **Career/Special Interests Panels**

Be a panelist for career fields, majors, or career-related topics.

**Sponsorships**

Encourage your organization to consider sponsoring Career Center programs.
