Reunion On-Campus Housing Registration Instructions

There are two ways to reserve beds as a part of on-campus housing for Reunion Weekend:

Register as an Individual (just yourself and/or a spouse/guest)
OR
Register as a part of a Group

Please follow the instructions below based upon whether you plan to register as individual or as part of a group. Guests under the age of 21 are not permitted to stay in the residence halls.

Instructions for Registering as an Individual (Not a Member of a Group Registration)

- When you reach the Housing section of the Reunion Weekend registration page select Group Leader as your type.
- If you have a single guest or spouse that you are including in your registration select Guest/Spouse of Group Leader as their type when completing the guest registration step of the form.
- You and your guest will be placed in a bedroom within a larger suite of your classmates. Alumni are placed in suites of four, six, or eight beds, with two twin beds in each bedroom. There will be a common area and shared bathroom(s) in each suite. Due to limited space, you cannot reserve an entire suite for yourself.
- You will receive an email a few days before Reunion Weekend with your residence hall building assignment. You will be assigned to a specific room within that hall upon check-in.
- You will be held financially responsible for any and all damages, excessive trash, lost or unreturned keys (and keycards) or other such items upon post-reunion inspection of rooms.

Instructions for Group Registration

Classmates may choose to request to be housed together as a group. In order to place this request groups will need to complete the following steps:

Step 1: Designate a Group Leader, this person should select that option in the registration process.
The Group Leader registers first and receives a confirmation number in their confirmation email.

Step 2: The Group Leader will need to share his/her confirmation number with any anticipated members of the Group.

Step 3: Group members then register (selecting the Group Member option during the housing section of the registration form) and type in the confirmation number when prompted.
