Evaluation

How will the project accomplishments be evaluated?

- Include Subjective and Objective Evaluation
- Disseminate results
- Indicate how project will continue after grant funds end
- Correspond evaluation plans to goals, objectives, methods and budget
- Describe how you will measure impact and outcome of project on community or target group using some of the following tools:

**OBJECTIVE (Quantitative)**
- Develop/Obtain Data Collection Instruments
- Collecting and Analyzing Data
- Third Party evaluator
- Science: Review by professional journal

**SUBJECTIVE (Qualitative)**
- Interviews, stories, feelings
- Discussion of beneficial changes
Sample Evaluation Format

5. Evaluation Plans
   5.1 Formative Measures
      5.1.1. Quantitative Measures
      5.1.2 Qualitative Measures

   5.2 Summative Measures
      5.2.1. Quantitative Measures
      5.2.2 Qualitative Measures

   5.3 Analysis of Measures
      5.3.1 Are Goals Met?
      5.3.2 If not, why?
